SCIENTIFIC

ALL

IRON

WIND MILLS

Adapted for Cutting, Pumping and Grinding, and
all general power purposes. The late very severe
storms have demonstrated the need of a mill prac-
tically storm-proof, and the results given by our
mill have been entirely satisfactory; not a mill has
been damaged without the derriek blowing over or
breaking. Intending purchasers bear this in mind
and write us for prices.

ATTEND THE BEST. Get the education
that pays. The St.
Catharines Business College
and Phonographic Institute, established last
January, has met with almost unprecedented suc-
cess in both departments. The College Rooms are
large, beautiful, light, and well furnished, and em-
brace the entire third story of Ontario Block. The
course is eminently practical, and the instruction
thorough. The Commercial Law alone is worth
more than is charged for the whole course. It em-
ploys a larger staff of experienced teachers than
will be found in any other Commercial College in
Canada. It gives a Diploma in Shorthand as well as
for the Business course. Gold and Silver Medals are
also given in Shorthand. This College unquestion-
ably stands at the head of Canadian Business Col-
leges. Send for Catalogue. W. H. ANGER, B.A.,
