

MEN, HERE'S AN OFFER

WEAR MY ELECTRIC BELT. FREE UNTIL I CURE YOU

You've doctored and doped till you are sick of it all.
You would pay for anything that would give you
back your old vim.

You don't want to pay out any more money till you
are sure.

I will cure you first and you can pay me afterward.
Is that fair? Then get in line.

I know what I can do, because I've done it and am
doing it every day. I'm sure that Electricity is the
life, and that I can restore it where it's lost. So if you
need what I offer, and don't want to risk my price,
wear my Belt free until you are cured, then you can
pay me.

And when you do pay me the cost is less than a
short season of drugging, and how much more pleasant!
You put my Belt on when you go to bed; you feel the
soothing, exhilarating vigor flowing into your weak
body, and while you sleep peacefully it fills you full of
the fire of life. You wake up in the morning feeling
like a giant.

Now, I can't cure everything. I don't claim to, and I
won't take a case that I don't feel sure of, but all these
troubles which come from an early waste of vitality,
from dissipation of any kind, from decay of nerve
power, or from any organic stomach, liver or kidney
weakness, I can cure, and those are the cases I am will-
ing to tackle and take the chances on. I am curing them
every day.

All I ask is reasonable security for my belt while
you are wearing it.

Miracles are worked every day. Read the story of Phillip McGahey, River Aux Plns, St. Gabriel, P.Q.,
as he gives it in his own words:

Dr. McLaughlin:

"Dear Sir,—I take the opportunity of letting you know the benefit your Belt has given me. I was a poor cripple before I
got it, now I can stoop and pick up a pin with ease. It was worth a great amount of money the good it has done me. My advice
is, that no home should be without one. I thank you for the benefit it has done me."

Another report of a permanent cure from John Crawley, Collingwood, Ont.:

Dr. McLaughlin:

"Dear Sir,—I must say that your Belt has done me a lot of good. Since wearing it three years ago, I have never been
troubled with Rheumatism. I find the Belt just the thing to do as you say. I have lent it to others, and they speak well of it.
Wishing you every success."

Tell me where you are and I'll give you the name of a man in your own town that I've cured. I've got
cures in every town.

That's enough. You need the cure. I've got it. You want it. I'll give it to you or you need not pay
me a cent. Come and get it now. The pleasurable moments of this life are too few, so don't throw any away.
While there's a chance to be husky and strong, to throw out your chest and look at yourself in the glass and
say "I'm a man," do it, and don't waste time thinking about it.

I've got a beautiful book, full of good, honest talk about how men are made big and noble, and I'll send
it to you, free, sealed, if you send this coupon.

GOSSIP.

Messrs. Robt. Tufts & Son, Tweed,
Ont., write: "Our Jerseys are coming
along nicely. It has been a grand win-
ter so far for stock in this section. We
had no idea that our little advertisement
in 'The Farmer's Advocate' would prove
such a paying investment. We have had
inquiries from all parts of Canada, and
several from the U. S. The young bull
that won 1st in Toronto in the under-
six-months class went to C. Kern, of the
Kern Brewery, Port Huron, Mich., and
Mr. Kern wrote he was well pleased with
the calf. We have sold through Western
Ontario and up through Muskoka dis-
trict, and have yet to hear of a dis-
satisfied customer. All our inquiries
came from seeing the advertisement in
'The Farmer's Advocate.' Our present
offering is a few choice heifer calves, from
two to eight months old, which, consid-
ering quality, will be sold reasonable."

BURN-BRAE SHORTHORNS.

Burn-Brae Stock Farm, property of
Mr. Robert Miller, of Stouffville, Ont.,
quite near G. T. R. Station, is at pres-
ent the home of a carefully-selected herd
of imported Shorthorns. No man in the
business in Canada has made more im-
portations of Scotch Shorthorns and
Shropshire and Cotswold sheep than Mr.
Miller, and none is a better judge of the
ideal type than he. In his stables at
present are an exceedingly choice lot
of both males and females. The bulls
at present on hand are: Golden Beau
(imp.), a red, three years old, got by
the Brawith Bud bull, Golden Fame,
dam Mina 6th, by Admiral 2nd, a Cruick-
shank Violet. He is an exceedingly
smooth, thick-fleshed bull, showing an
evenness of a successful show bull. An-
other is Leopold (imp.), a dark roan,
rising two, sired by Lovat's Heir, dam
Mary Anne of Lancaster 8th, by Cash
Box, breeding rich enough to suit any-
one, and individually built on prizewin-
ning lines. Brilliant Star (imp.), a red
yearling, a Marr Beauty, by Lovat's
Heir, dam Beauty 33rd, by Count St.
Clair, is the making of a grand good
bull, has since been sold to Mr. G. M.
Forsyth, of Claremont, where he will, no
doubt, be heard from as a sire. Lennox
(imp.) is a roan yearling Rosewood bull,
got by the Bruce Augusta bull, Hero,
dam Rosewood 84th, by Mountain
Archer. He is an ideal young bull, very
even, thick, mellow and full of character,
and will make a show bull sure. North
of Scotland (imp.) is a roan three-year-
old, a Lady Dorothy, sired by Cornelius,
a son of Touchstone, dam Lady Dorothy
18th, by Marshall Duke. He is a bull
of great scale and quality all through.
Marksman =58449= is a red yearling
Minerva, got by Imp. Nonpareil Duke,
dam Minnie (imp.), by Fortune. He is
a big, smooth young bull of grand form,
and a good doer. Comely (imp.) is a
Kinellar Claret, by Count Joyful, dam
Claret Cup 2nd, by Mediator, is a cow
of more than ordinary merit, showing
great scale and quality. A grand good
pair of twin bull calves, out of this cow,
are Comrade and Companion, sired by
Imp. Cronje 2nd, a pair that for ideal
type are hard to equal. Companion is
sold, and goes to Quebec. Caledonia is
another home-bred yearling, by Langford
Eclipse (83848), the bull that sold for
\$1,425 at the Thistle Ha' sale, dam
Clementina Princess, by Caledon Chief.
This is a rare good young bull, and a
splendid doer. Still another is a ten-
months-old Miss Ramsden, by Imp.
Cronje 2nd, the making of a show bull
of high order. The females represent
such noted families as the Clarets, Rose-
woods, Mountain Maids, Minervas,
Lupins, Buckingham, Undines, Minas,
and Miss Ramsdens, nearly all are im-
ported, and the balance from imported
stock. They are an ideal lot, thick-
fleshed, short-legged, and straight-lined.
Several are heifers from one to three
years of age, and anything is for sale.
In sheep, there are about 150 on hand,
Shropshires and Cotswolds, many of
which are imported. During the last
season, Mr. Miller handled over 2,000
head, the bulk of which went to the
other side. Mr. Miller shows a diploma
and medal from the Government of the
Republic of Mexico, awarded him as the
largest exporter of pure-bred stock on
the continent to that Republic. He also
holds, as the only Canadian so honored,
a certificate of honorary membership in
the Mexican Society.
