# EATON'S JULY & AUGUST SALE

## EATON GOODS MERIT YOUR PATRONAGE

The merchandise listed in our Summer Sale Catalogue is all of a most seasonable nature. In fact this book contains only those goods for which the demand is most urgent at this season and we are confident that the wonderfully low prices quoted will create a demand greater than ever. There is not an article listed which cannot be used to advantage in practically every household. Our advice is to make a list of your needs and order at once, as values such as these are not of daily occurrence.

**Every page contains items** where the values and prices are decidedly in your favor, so don't fail to get your share of these wonderful bargains. We believe that a trial order made up from the pages of this catalogue will convince you that **EATON'S** is the place to do your buying the year round. If you will decide unalterably to buy where a dollar gets the most value, the result, we believe, will be more business for us and greater savings for you.

**Don't hesitate as you run no risk whatever** when ordering from us. Listen to this,—Make out an order of the things you will need and send it to us. We will ship the goods immediately and when they arrive, if you are not perfectly satisfied in every way, send them back. We will pay transportation charges both ways and refund your money in full.
