## Stock Notes.

The highest priced animal at Mr. Geo. Fox's recent sale in England, was Cherry Duchess of Elmhurst 3d, sold to Mr. H. Y. Attrill, of Goderich, Ont., for 210 guineas. The average on the entire offering, 39 head, was a little over £50.

By a typographical error of our printer, and overlooked in going in haste to press, an error crept into our stock notes last month. Mr. T. G. Nankin, of Shade Park Stock Farm, Merivale, is represented as having a sow "two months old" weighing 800 lbs.; it should have read "twenty months old." Our readers will, of course, have seen that there was a mistake in the figures somewhere.

Now that the season for the sale of cattle will soon be active, we hope our friends and patrons will send us an account of their sales of thoroughbred stock of every description. All breeders will find it to their own advantage to do so. As we usually commence mailing about the 1st of each month, our forms must be closed before this date, and we should therefore be glad to receive notes about stock gossip at least a full week before the end of the month.

Mr. F. Green, Innerkip, Ont., arrived home recently with his importation in excellent condition. It consists of the Short-horn bull Enterprise, a dark roan, by Ventriloquist (44180), bred by Mr. Duthie; another roan yearling bull, bred by Mr. Marr, half-brother to their herd bull, the Earl of Marr (47815), the winner of the first prize at the Provincial Show last season. Vain Maid, bred by Mr. Nares, of Bruckton, sired by Mr. Bruce's bull Edgar, dam Vanity, a cow having six direct crosses of Cruickshanks, a prize-winner at three different shows in Scotland; The Belle, red, sired by Forward (46375), dam Mina by Comet (41250); Proud Duchess, sired by Norman (45272), dam Venus 2d by British Champion (36273)—Venus 2d was sold to Mr. Hill, Minnesota, U. S., in 1883; Monogram 20th, red and little white, sired by Vienna (45731), a Cruickshank bull, dam Monogram 14th by Prince Frederick (42178). Their Hereford importation consists of a bull and five heifers, from the herds of Messrs. Hill, Felhampton Court, Griffiths, of Brierly, and Haywood, of Blakemore House, Hereford.

Mr. John C. Ross writes us from South Quebec, dated Aug. 19, 1884, saying: I just send you a few lines informing you of my arrival here in the Lake Winnipeg, with my stock all in good shape, considering we had rather a bad, rough, dirty passage. I have four Clydesdales three entire, one filly three Berkshire pigs, sixteen Shropshire sheep, purchased from Mr. John Evans, of Uppington, near Shrewsbury. and six from Mr. Barber, a very fine lot, and a first-prize pen of Southdowns at the Royal, Mr. J. Main came out with me and brought out one entire colt, bought off Lord Elsmire, but lost him coming out; he also brought two Suffolk pigs from the same place, and a lot of game fowls from the same place, also fifteen Berkshire pigs, prize winners at the Royal, and a fine lot of Cotswolds, prize winners at the Royal, and a collie dog. We have been here over a week and don't hear any talk of leave to go home. I think it is wrong keeping stock so long; our stock is all in fine order, and to keep them here in this place to roast to death I think is wrong.
