AND

730, 732, 734, 736 Craig St.,
MONTREAL.**Mercantile Summary.**

A FINAL dividend of eight per cent. has been declared in the estate of A. McMillan, of the St. Thomas Biscuit Works, making a total dividend of 23 per cent. The liabilities were \$4,700.

A MEETING of the creditors of W. S. Black & Co., private bankers at Uxbridge, was held on Monday last. The claims of depositors were found to be about \$30,000. If the expectations of the liquidators are realized, the estate will pay a dividend of 38 cents on the dollar.

A NEW "life-preserver" is advertised by a down East manufacturer, which it may be hoped will take the place to some degree of the much too-frequent pistol. It is a rubber bulb, charged with f f f ammonia, and carried in the hand of a pedestrian. When attacked by a fierce dog or a bloody-minded highwayman, one squeeze of the bulb lets fly a jet of the ammonia spang into the face of the intruder, and that is sufficient to lay out either the dog or the man.

WM. BROWN, of Petrolea, and A. R. Davidson, of Winton, are grocers, and both were farmers. The records show that few such persons have made a success of storekeeping. We should like to be able to write them down as exceptions, but we cannot. They have assigned. — A year ago J. A. McGregor, commission merchant at Windsor, showed a substantial increase. It had either taken to itself wings and vanished, or was not available to avert the assignment just announced. — Settlements have been effected by Wm. Thompson & Co., wholesale hardware merchants of this city, at 60 cents on the dollar, cash, the business to be wound up — J. B. Wilson & Co., retailers of dry goods in Toronto, have settled at 40 cents on time. — Robinson & Boyd, a firm of roofers in Toronto who dissolved a few months ago, have made an assignment on account of some unsettled claims.

CLEARING SALE!**J. GOUINLOCK & CO.,**

Will dispose of their Entire Stock of FURS, ROBES, COATS, &c., to close up that branch of their business, at from Ten per Cent. to Twenty per Cent. discount, according to amount of purchase.
