What One Man Says:

TESTIMONIAL

Eagle Creek, Sask., February 29, 1912.

EDITOR, GRAIN GROWERS' GUIDE,
WINNIPEG, MAN.

Dear Sir:—I am writing to tell you that my ad. in your paper for two issues has brought me so many enquiries that I would ask you to print under "Barley" (in your seed grain ads.) "that anyone not hearing from me will please take this notice that I am sold out."

For your own information I might state that I have had Forty-seven enquiries, and could have sold about 3,000 bushels if I had had it.

Yours truly,

ALAN RUNDIE.

This is only one of the many satisfied users of classified ads. The season for the purchase of seed grain is getting short, and any one having any to sell should advertise it immediately. The demand is great this spring, and good prices are being paid. Send in your ad. at once. It will be looked after carefully. Anything else can be sold with equally good success.

SEED GRAIN

GARTON'S REGENERATED ABUNDANCE oats, 1912 strain, No. 68 six-rowed and Brewer barley. Buying Garton's pedigree seed without knowing the year of introduction is like buying a horse without knowing its age. Write for catalog and prices. Garton's Pedigree Seed Co., 254 Chambers of Commerce, Winnipeg, Man.
