Leaving Mount Forest.—We notice by the Standard that Mr. J. H. McDonald, merchant, Mount Forest, and formerly of Listowel, is about to open out a general dry goods store in Dr. Philps' Block, Wallace street, Listowel. Mr. McDonald will shortly leave Mount Forest to enter upon his new business. He will be accompanied by his present capable and affable assistant, Mr. J. W. Reid. We wish both gentlemen every success, and trust that they and their families may enjoy residence in the growing sister town.—Mount Forest Examiner.

ACCIDENT.—Mr. B. F. Brook, proprietor of the Listowel woolen mills, on Tuesday evening last, had the misfortune to fall upon a knife attached to a lathe in his factory, the instrument entering the calf of his leg and making a terrible gash in it. The wound, which was nearly four inches long and upwards of an inchin depth, bled profusely; but with surgical aid, which was speedily procured, the injured part was dressed and Mr. Brook was taken to his residence. Although the accident is a very painful one, fortunately it is not serious. Mr. B. hopes to be about again in a few days.

In reply to Mr. Farrow, the Finance Minister stated that he would put \$150,000 in small coins of 10, 15 and 25 cents into circulation in the usual way as soon as possible. This will be good news in the country districts, where there has been a good deal of difficulty in small business affairs for want of fractional currency, postage stamps having become a commonly used article of currency.

FOR THE NORTHWEST.—Paterson's second Manitoba party over the G. W. R. will leave on Tuesday next. A number of tickets have already been sold by Mr. Livingstone, town agent, principally to residents of Elma township, who seem to be more ausceptible to the Manitoba fevor than some of their neighbors. However, while the departure of so many of these sturdy yeomanry from our midsis matter of regret, all will wish them prosperity in the new land which they go to possess.

When we are called to stand beside Her cold and lifeless form, And see her placed beneath the sod, Amld the winter's storm.

No more we hear her tuneful voice, No more we see her mirthful ways Which often made our hearts rejoic That she would live to older days.

But like the frost in summer-time, That kills by night the blooming flow Grim death, a foe fir eyery clime. Seized on her in life's morning hours. But true religion lends its aid—
