

# SMOKE DERBY PLUG TOBACCO

The red, white and blue jockey cap—on every plug—is the tag which tells the quality of the new DERBY Smoking Tobacco.

A plug which always gives you a fresh, cool smoke.

A tobacco which is distinctively mild, yet satisfying in the pipe. 10c—all dealers.

### COUGHS QUICKLY CURED.

Don't Let the Child Choke to Death While Waiting for the Doctor

Hyomei the miraculous, antiseptic air treatment, will cure croup in either the first or second stages. Easily inhaled, even when the breathing is irregular, it reaches more promptly than any other remedy the terribly inflamed membrane of the windpipe. Its soothing balsams act immediately, the inflammation is allayed and the swelling reduced.

George H. King, of 22 Wellington Street, South Woodstock, says: "We would not think of keeping house without Hyomei. It has warded off colds, croup, coughs and sore throats for all our three children many and many a time. When a child breathes badly and through the month and the glands around the eyes and nose commence to swell, then is the time that we find the Hyomei quickly relieves the trouble and gets the bronchial tubes, lungs and throat cleared up."

Hyomei (pronounced 'High-o-me') is guaranteed by J. D. Clark to cure catarrh, coughs, colds, asthma, bronchitis and croup, or money back. A complete outfit, including a neat hard rubber pocket inhaler, costs only \$1.00. An extra bottle of Hyomei, if afterwards needed, cost but 50 cents.

### A Hard Case

Percy French told me on one occasion, says Mr. Ramsay Colles in his new book, In Castle and Court-house, that he was staying in the country at a house where the landlady professed to give bed and board for twenty-five shillings a week. I assure you, said French, gravely, I was there a week before I discovered which was the bed and which was the board.

Rev. W. B. Wallace, D. D. of New York and Rev. L. F. Wallace of Boston, were called to Lawrence-town on account of the serious illness of their mother, Mrs. Isaiah Wallace.—Outlook.

### Digestion and Assimilation

It is not the quantity of food taken but the amount digested and assimilated that gives strength and vitality to the system. Chamberlain's Stomach and Liver Tablets invigorate the stomach and liver and enable them to perform their functions naturally. For sale by Druggists & Dealers.

### Women and Education

Specialto News Calgary Alberta, Sept. 22 Women are playing an important part in educational work in Calgary. A committee of the most prominent club women of this city has just been appointed to advise the technical, education committee of the school board in regard to the subjects to be taken up by girls in the technical schools of the city and the same is to be done in connection with the vocational work which will start at the beginning of next year.

Women are taking an important part in all walks of life here. They forced the city to establish a public market where producer and consumer could meet, they are memorializing the Alberta government to establish homes for uplift work and now they are taking a leading role in the educational field. The women of Calgary, who can read and write the English language will all have votes at the ensuing municipal election if an amendment to the city charter is approved by the legislature at its present session.

### Heavy Snow Fall in Minnesota.

Record Unequaled in that State Since 1884

Duluth, Minn., Sept. 22.—A record unequalled since the establishment of the weather bureau in 1884 was made yesterday when snow fell at nearly all points in northern Minnesota and around the shores of Lake Superior. The earliest previous snow fell was recorded September 24, 1907. Winter scenes prevailed in the vicinity of Port Arthur, Ontario and Grand Marais, Minn., where the ground was blanketed with snow. The average temperature was 34 degrees.

Diarrhoea is always more or less prevalent during September. Be prepared for it. Chamberlain's Colic, Cholera and Diarrhoea Remedy is prompt and effectual. It can always be depended upon and is pleasant to take. For sale by Druggists & Dealers.

Mr. Greno, a brakeman on conductor Dickey's train on the C. V. branch of the D. A. R. had the toes of one foot taken off this morning while trying to get on the engine.—Ex.

THE man who tries to keep his business in his head can't keep ahead in his business.

His brain can't stand the strain—it's built to remember facts—not figures. The human mind is never completely accurate. The National Cash Register thinks with a brain of steel. It keeps track of every detail, of every sale—stops leaks and checks losses. A store using a National Cash Register is a good store—it's run on system—it's bound to give you "money's worth."
