

TINY TIM.

How many of us have spent a doleful hour with Dickens' little "Tiny Tim." He pleased us because he was for ever helping, or ready to help some unfortunate.

Dr. Hope's TINY TABLETS are doing exactly the same thing. They are helping thousands of unfortunate nervous, broken-down people to get strong.

One little TINY TABLET after each meal and before retiring will give you new life. If you feel tired - IT'S NERVES.

THE MAKING OF ALE.

THE BREWING
This is the point where skill comes in. The best dish may be ruined by poor cooking, and good beer may be spoiled by bad brewing. To make the best article the brewery equipment must be of the best.
Carling's is a brewery where every last improvement is utilized. The brewer is an expert and his assistants have had many years of experience. Every detail is carefully looked after, and the result is a beverage that can always be depended upon.
