HARDSHIPS

The prevalent sickness that has all but overcome the county has not spared The Observer staff, and the editor is the only one connected with the paper who has not been down with the malady. Hence, there came near being no paper this week, and the issue here presented, somewhat curtailed in all ways, is evidence that the office has been stricken, but not fatally.

Bristol Events

H. N. Banks returned home from Wapke on Saturday.

Mrs. J. S. Hodgson went to Mars Hill on Saturday called there by the illness of her daughter, Mrs. Elbridge Grass.

Mrs. Amos Strahan of Bath and her sister, Miss Mildred Giberson, of Boston, are visiting friends here.

Mr. and Mrs. S. C. Street spent the week-end at Upper Kent.

The people of this vicinity were very sorry to learn on Saturday of the death of Samuel Giberson, which occurred at Wicklow at the home of his son, Charlie. For the past eight years Mr. Giberson has been the mail carrier although he had reached the age of ninety-one years.

Mr. and Mrs. Gordon Laing of West Glassville moved to Bristol this week where they are taking charge of the Bristol Hotel.

H. W. Annett, Hartland, was the guest from Friday until Monday of Mr. and Mrs. George Tompkins.

Mrs. Fred Hayward, Hartland, visited her sister, Mrs. A. N. Boyer this week.

Charles W. S. Barker Dead

Charles W. S. Barker died at his home at Four Falls on Jan. 23. Mr. Barker was one of the oldest and best known men in Victoria county, having made his home at Four Falls for the last 40 years. He was born at Kingsclear in 1837. He taught school in various parts of the province for upwards of thirty years, and was an enthusiastic temperance worker. He leaves his widow and one daughter, Mrs. Charles M. Rideout, of Amherst. The funeral was held January 26 and was conducted by Rev. Mr. McFadden. Interment was made in the Presbyterian cemetery at Andover, where his youngest daughter, Mrs. H. E. Smith, was buried in 1910.

Charles Margison's youngest daughter, Mary, (Mrs. Fred Williams) arrived last week from Chicago.

Death of Ira H. McNair

Ira H. McNair, son of the late Charles McNair, of Mechanic Settlement, died very suddenly at the home of his uncle, Hamilton McNair, Wapke, on Wednesday, January 24. He was about twenty-five years of age and had made his home with his aunt, Mrs. Pringle Kelley, at Andover, for some time.

A Forcible Preacher

Rev. E. C. Jenkins of Florenceville, occupied the pulpit of the Brunswick Street Baptist church at both services yesterday. He is a forcible and eloquent speaker and was listened to with much pleasure by large congregations. —Fredericton Mail.

CARLETON CO. COUNCIL

The Finances In Good Condition Inspector McLean's Report on Scott Act—Ferry Discussed.

County Council met in annual session Tuesday, Jan. 16, Warden Tracey in the chair. The session opened with God Save the King. Those present were: Aberdeen—D. Lamont, Samuel Hemphill. Brighton—Ed. Morgan, Fred Smith. Northampton—H. A. Phillips, Arthur Gibson. Peel—E. W. Melville, Frank Tompkins. Richmond—Alex. Bell, Ezra Flemming. Simonds—John Perry, Odur Shaw. Wicklow—Carey Estey, Rennie Tracey.

Wilmot—Harry Carvell, Wilmot Anderson. Kent—John Kinney, J. W. Gallagher. Woodstock Parish—Robert Moxon, Chas. Clark. Wakefield—Wm. G. Kearney, Albert G. Bell. Woodstock Town—James W. Gallagher.

The Warden welcomed the members to whom he wished a Happy and Prosperous New Year. Conditions so far as the war was concerned he was sorry to say had not changed very much. He regretted the illness of Coun. Stevens and hoped he would soon be restored to good health and strength. While not agreeing with the apportionment of Patriotic Fund, he felt sure the people of the county would rise to the occasion and do their full duty. The amount to be raised would mean a large increase but we must meet it and do all we can in the cause that effects us all.

The minutes of last session were read and approved.

The following communication from Coun. H. D. Stevens was read by the Warden:

Fisher Memorial Hospital, Woodstock, N. B., Jan. 16, 1917. To the Warden and Members of the Municipality of Carleton, Gentlemen:

On account of illness I regret I that I will be unable to take my seat at the Board this session. I trust you may have a profitable and pleasant meeting. Wishing you all a prosperous and Happy New Year. I am,

Yours truly, H. D. Stevens.

Moved that the communication be accepted and that the Warden be a committee to visit Coun. Stevens and express our regrets. Carried.

Adjourned till 2 o'clock.

Council met at 2 o'clock. Coun. Tompkins reported for committee on ferries. Investigated and gathered that people are much in favor of retaining the old ferry. Mr. Hallett was willing to operate it at all open seasons. I was told the other ferry could hardly give a crossing at night at all. What is known as the Hatheway ferry should be continued in operation and Mr. Hallett granted a license.

Coun. Perry said he never could succeed in getting a committee

KIDNEYS FAIL TO WORK

Galette, Ont.
"My husband used GIN PILLS for Backache and Kidney Disease which formerly troubled him a great deal. The pain in his back was dreadful and the kidneys failed to do their work properly. After taking one dose of GIN PILLS he found them to be exactly what he needed, and after taking two boxes of GIN PILLS was completely cured. We heartily recommend GIN PILLS as every opportunity to our friends and relatives."

together, in order to adjust this ferry matter. I have talked to a few who wanted the upper ferry continued in operation.

Coun. Clark—I have never heard anything about it until today.

Coun. Melville moved report be accepted and a license granted for Mr. Hallett. He presented a petition in favor of this ferry and at request of Coun. Kinney read the names.

Coun. Morgan seconded the motion.

Coun. Estey—I'm in favor of part of the motion. By-law states that Councillors should act in their own parishes. This last part of this motion is infringing on the rights of the councillors. This petition does not ask for a license.

257th Railway Construction Batt. Will Take You

After all there is room for the "physically unfit" and the "applied and rejected" classes. The new and rapidly filling up Railway Construction Battalion, the 257th, will accept men down to 4 ft. 11 in. in height. The eyesight standard has been greatly modified; total deafness in one ear, or the loss of fingers or toes is no bar to admission to this unit.

The work of the Battalion will be altogether railway construction, commencing on April 15 in France, and it is hoped will finish in Berlin before autumn.

Lack of space in this issue forbids telling all about this Battalion, but 250 men will be accepted from New Brunswick and those desirous of getting on must hurry. Ask any local doctor or recruiting officer for full particulars, or call at The Observer office.

Flattering to the Original

But Imitations Only Disappoint

There are many imitations of this great treatment for coughs, colds, croup, bronchitis and whooping cough. They usually have some sale on the merits of the original, but it should be remembered that they are like it in name only.

This is a facsimile of the package bearing portrait and signature of A. W. Chase, M.D.

Why Best for Babies?

"Gummy" Chamberlain "I am often asked why Chamberlain's Cough Remedy is best for babies. Well, there are several reasons:

First: It is perfectly harmless and can be given with every confidence to the youngest or most delicate child.

Second: It contains no alcohol, opium, chloroform, morphine or any other narcotic.

Thirdly: Children like it, and no persuasion is needed to get them to take it.

For the above reasons alone it is impossible to get a better medicine for babies than

Chamberlain's Cough Remedy

Put aside from its safety it relieves coughs and colds, is the best remedy known for croup and when given as soon as the croupy cough appears it will even prevent the attack."

Yours for Health —Gummy Chamberlain
