Castoria is recommended by physicians for children teething. It is a purely vegetable preparation, its ingredients are published around each bottle. It is pleasant to the taste and absolutely harmless. It relieves conthe hangee is concerned. stipation, regulates the bowels, quiets pain, cures diarrhoa and wind colic, allays feverishness, destroys worms, and prevents convulsions, soothes the child and gives it refreshing and natural sleep. Castoria is the children's panacea—the mothers' friend. 35 doses, When she was a Child, she cried for Castoria,

CURE FOR COLDS.

Citizen-My wife and I have both got cold, doctor. What ought we to take? Physician—Flax seed lemonade I generally recommend.

Clitzen—Thanks; how much will it be? Physician—Four dollars, please; two ollars apiece—N. Y. Sun. What A Mistake !

A careful examination would convince any one that two-thirds of all the people in New England have been or are now afflicted with catarrh of the nose and throat.

No doubt more than half of those people have tried every blood purifier they have seen, with the erronous idea that catarrh is a constitutional disease and must be purged out of the

Why a greater mistake was never made! Stop for a moment and think or ask any reputable physician what common catarrh is, and what causes it, and the answer can be only this. "It is an irritation or inflammation of the mucous membrane of the nose and throat, caused by neglected colds, damp piercing irritable winds, foreign matter in the air which is
