Not only a few of the players, but almost all the mem-bers of the three teams, turned out, and Captain Ballard put them through a good stiff drill. The scrimmage is get-ting into great shape, and the way they get the ball out reminds an onlooker of the days of Baroni Irving. The new men are taking right hold and have not missed a practice yet. That they will make some of the old players hump to keep their place on the team goos without saving. There is a lot of interest being taken in the first football game of the season, which will be played at the cricket grounds to morrow afternoon. It is a junior O. R. F. ## His Salvage Showed True Form, Making Record.

Tigers Not Placed in the Senior O. R. F. U. Series-Lady Golfers From Canada Defeated at Chicago-Detroit Defeated Washington Yesterday.

Yesterday wast Mike Daly's day at the Hamilton Joekey Club track, and he landed three winners. And it-may be safely stated that there never was a horseman on the local track that came in for more adverne criticism. Salvage, who was badly beaten on Tuesday, when it was an even money favorite and heav-ily played by the public, galloped home in front in the first race at 8 to 1, mak-ing a track record. Daly won with Karma and Emma G, both favorites, and softened the hearts of some of the ta-ent toward him. He ran yesterday like a stake horse, going to the halt in .483.5, 5.6 in 1.00 1.5, and the 51-2 furings in 1.064.5. Arthur Delaby, the light weight jockey, was in the saddle yesterday after three days' enforced retirement for disorder at the post, and he marked his return by carrying off the riding horors. He piloted three winners out of four mounts.

Suderman and Kara, sec-ond choices, and Salvage, long shot, ear-ried off the rest of the purses. The steeplechase was a nice race for one turn of the field, after which it de-veloped into a three-horse race. Daly's Kara was nicely handled by Masnada, the Italian jockey, who let Coal Black Lady and Buckman show the way till they tired. Merrymaker ran out after gesting over the stone wall, and Bally-castie fell at the Liverpool, and Walsh had his colarbone broken. The horse had struck the three previous jumps, and hardly raised at all when he came to the obstacle at which he went down. Elmwood, (Snyder)

UNCLE'S TRIUMPH STAKES. Brighton Beach, Oct. 4.—Uncle, at 11 to 5, won the Triumph Stakes of \$11,000, for 2-year-olds, one mile, at Brighton Beach yesterday. He was practically left at the post, but caught the pacemakers, Alfred Noble and Spooner, at the head of the stretch and won in a hard drive, by a head, from Spooner. The time was 1.392-5.
