

THE COST OF A WAR WITH RUSSIA.

By way of estimating the severity of the war, the probability of its being a general one, and the possible extent of a war with Russia, we have to consider the cost of such a war. It is not possible to estimate the cost of a war with Russia, because the cost of such a war would be enormous. It would be a war of annihilation, and the cost would be incalculable. It would be a war of extermination, and the cost would be incalculable. It would be a war of annihilation, and the cost would be incalculable. It would be a war of extermination, and the cost would be incalculable.

RENALS DOCTORS.

A group of medical men, who are known as the Renals, are now engaged in a study of the human body. They are interested in the question of the origin of life, and the development of the human race.
