Editor & Proprietor WEDNESDAY, OCTOBER 19, 1898

in learning to tell the truth.

Mr. Hardy, Grit Premier and At. Mr. Ogilvie, good man though he torney-General of Ontario has may be, is not the proper person found himself in some rather pe-culiar situations and has exhibited ness, and his appointment for this to the world some wonderful service is only a mere blind on feats of state craft. In the first the part of the Government. The place, it will be remembered that the uncertainty of the constable vote upon which his Legislative majority depended so bothered him that he anticipated an additional majority depended so bothered him that he anticipated an additional majority depended so bothered him that he anticipated an additional majority depended so bothered him that he anticipated an additional majority depended so bothered him that he anticipated an additional majority depended so bothered him that he anticipated an additional majority depended so bothered him that he anticipated an additional majority depended so bothered him that he anticipated an additional majority depended so bothered him that he anticipated an additional majority depended so bothered him that he anticipated an additional majority depended so bothered him that he anticipated an additional majority depended so bothered him that he anticipated an additional majority depended so bothered him that he anticipated an additional majority depended so bothered him that he anticipated an additional majority depended so bothered him that he anticipated an additional majority depended so bothered him that he anticipated an additional majority depended so bothered him that he anticipated an additional majority depended so bothered him that he anticipated an additional majority depended so bothered him that he anticipated and majority depended so bothered him that he anticipated and majority depended so bothered him that he anticipated and majority depended so bothered him that he anticipated majority depended so between the solution of the solution of th verse decision of the Courts by calling a special session of the House and passing a special act to fortify himself. No sooner was this done than the Courts decided that the constables votes an upright man and a good sur- gold commissioner of the Yukon has ten were quite valid. Consequently veyor, but these two qualifica-the special session of the Legisla-tions alone do not constitute a ture with its cost to the Province guarantee of his efficiency to con-had been in vain. Next, in or-duct an important investigation der that the cost of the special unaided by proper legal talent or session might not attract attention by standing out by itself, he honest but more experienced men. conceived the idea of amalgamat-ing the special session with the rest satisfied with such a makeregular session to be held next shift arrangement. Mr. Ogilvie's of Mr. Peter Doyle, Lot 7, on the winter. Following out this idea, instead of proroguing the House in discharging his duties as adinstead of proroguing the House in discharging his duties as adhe adjourned the session. But ministrator, and he cannot be exhe adjourned the session. But immistrator, and he cannot be cannot have the found himself face to face with a new difficulty. He had some partial elections to run and some part he issued writs for them, appoint- by a nest of officials who should a ed his attention to the fact that, tention will be concentrated on It was some time before he was rescued according to the laws of Ontario. according to the laws of Ontario, preventing the truth from being and were it not that he was a good swim elections for the Legislature could got at." No investigation of mer he might have lost his life, not be run while the House was in session. In this dilemma, Premier Hardy had recourse to his friend, Sir Oliver Mowat, Lieut. Governor of the Province, who

appointment. The following from minent Western French Catholic in approving of the Laurier-Greenway "settlement" of the Manitoba school question. For Mr. Forget, though a government official and owing his "settlement" of the Manitohs school and I say that although we may government official and owing his Indian Commissionership to the Competer of the Gritz. As soon as the amount two, yes, three, million spery pear. "Sir Witriot and his party came into power, and his party came into power at the Gritz. As soon as the promise of reducing the expenditure by increasing the expenditure will be reduced the rele of party or gangier, and made a pilgrinegar by first and in this competicion, in a speech between chose leberal Kilkenoy are between these leberal Kilkenoy are between these leberal Kilkenoy are between the rele of party or gangier, and made a pilgrinegar by first and in this competicion, in a speech between the pri tomination for fisstatanhewan sher sit will find Laurier and Laurier and Life of the Competiture of the Administration that greater of the A

Notwithstanding the attempts on the part of the Federal Government to explain away the charges of maladministration by their officials in the Yukon, public belief in the enormity of the scandals perpetrated is so strong that the most glaring offenders have been recalled and an investigation has been ordered. Major

Walsh, Administrator, F. C. Wade, months last year. and Mr. McGregor, Commissioner the country is in for an increase of Mines are among the officials of another million and a quarter relieved of duty. Mr. Ogilvie has been appointed administrator, "You should see us next and he has been empowered to year," says Mr. Tarte. We are hold an investigation. It is not already seeing them. The above to be wondered at that Mr. F. C. figures refer to current expendi-Wade, in a very short time, es. ture only. But, as the minister The pseudo Editor of the two ment was the reward for a piece would say, "you should see us on capital expenditure." In the year ending last June the governcent thing called The Guardian, of shameless and scandalous men- ment broke the record of many cent thing called The Guardian, with the usual parade of mendacity. This evidently briefless city, inuendoes, inverted commas and falsehoods tries to put the Papacy in a false light before his readers. "Power" or not, the Papacy is recognized as such by all the pations of Europe and by search a contained as a contained all the nations of Europe and by scarcely contained a statement most if not all of those in America. "Forlorn hope of the Temporal Power," indeed! The sible service he was rewarded by

mighty engines and sinews of the Government on the recomwar that editors and scrawlers mendation of Mr. Sifton with the "My face was covered with pimples and blackheads when I began taking Hood's Sarsaparille, but after the use of this ned foine a short time I was entirely cured. I cannot recommend it too highly since it has done so much for me."—MAY RYAN, North Street, Oungab, Ostario.

HOOD'S PILLS are the only pills to take with Hood's Sarsaparilla. 25 cents. like him of the Guardian can office of Registrar of the Yukon command, will do little to uphold district. It is not to be wonder command, will do little to uphold either universal peace or war or hurt the Temporal Power. Such Cads should be given a good common school education and then be sent to feed hogs for a living. The Editor of the Guardian should take a primary course in learning to tell the truth ter. As to the investigation the Government say they are setting DURING the past year, Hon. on foot, it may be remarked that at J. B. Macdonald & Co. Oct 5-3i

issued a proclamation, proroguing investigation can do the subject the House. A wonderful man is Hon. A. S. Hardy!

A FEW months before the las In our last issue, when referring to In our last issue, when referring to the appointment of Mr. Forget to the Wilfrid Laurier delivered a speech Lieut. Governorship of the Northwest, we remarked that probably Mr. Tarte could give a reason why Forget and not Laird received the gubernatorial appointment. The following from the Winnipeg Telegram fully bears millions and more, until it is now It went up two, three, five, ter out our surmises: "His appointment thirty-eight millions; and the is a reward for the assistance he gave the Laurier government as a proit, but swallow it all.
