Charlottetown, P.E.I.

We cater to the men's trade, and no other. If you were sick you wouldn't call to see a Tailor, or a Blacksmith, about the condition of your health. Of course not; you would call to see a Doctor,

If you wanted a Suit or an Overcoat would you go to see a Doctor, or a Shoemaker? Not at all. You would go to see a First Class Tailor.

> WELL, there's where we shine !!! We study the business. We know what suits a young

we knowwhat suits a middle-aged man, and we know what suits the old gentleman both in goods and in style. It does not make any difference whether you want your clothes Ready-to-Wear, or Madeto-Order. We are equally in a position to suit you. We do not let a suit or overcoat leave our establishment until it suits, and fits the mar who is buying. Our prices are always right when you take the quality into consideration.

Do not forget that we are sole agents for the famous W. H. Leishman & Co., Wholesale Custom Tailors. We have an elegant stock of Overcoats to show you at the present time.

Overçoats, Made-to-Order-from . .

.\$30.60 to \$48.00 Overcoats, Ready-to-Wear..... \$15.00 to \$36.00

Success Is a Habit

Our habits make us. We are creatures of habit. Whether we are a success or a n Friday, the 7th of February, lure is a question of how we do things without thinking. To Save is the only way to Tot are therefore month hadeone tell energing lines?

We have just the kind of Gloves you need, lined and unlined. Also Wool Gloves for this time of year. Suedes and Tans-both combination.

Underwent

for Lincoln equipment Lines. Come and get your Underwear before it is all sold. We have all kindstwo-piece and light and heavy weight. Prices per suit \$1.90 to \$5.50

ALL RUN DOWN

Mrs. Percy G. McLaughlin, Lawrence Station, N.B., writes:—'I am writing to u that I have used Milburn's Heart erve Pills, and find since I conof to use them that I feel altogether erent woman. I was weak and own from my heart and nerves, and ecommended to try your pills, by Mt. James H. Scott who has taken them, and says if it were not for them he could not live. When I finish the box I am now taking I will be completely cured.

unless alms are given to the mission at Tottori we shall not be able to undertake the erection of this most necessary structure. I am sure the members and friends of the Propagation of the Faith ociety will understand my call and most generously respond."

Secrets Well Kept

London Jan. 1. -Brigadier-General George K. Cockerill, the retiring director of special intelligence at the War Office, in his ed against undue State interfer farewell message today to his associates in that department. calls attention to the fact that there is no charity without ave- without duties, and no healthy although many persons in Great bject the vesting in or conferring aging justice. To desire to close society without authority and Britain knew of the preparations m any person or persons, our eyes to injustice, under the discipline. We should support for the counter-offensives which ghtful authority and maintain fled to the downfall of the discipline, not from fear or favor German armies, the construction rimes with impunity because he but because it is the right thing of tanks and other military secrets, not one word had reached (7) "Society should not be a the enemy. In his message struggle of competing individuals Brigadier-General Cockerill says: or classes, but a close-knit human "You have been the chief agency in preventing the leakage of naval and military information. o mention a few instances of your sucess, the withdrawal from Callipoli, the construction of tanks, the praparational to the Coffensives at Cambrain and also for uide us in our great task of the recent counter-off naive which destroyed the German armies, were all known to numbers of people in this country, but were concealed from the enemy.

There is no evidence that enemy submarines ever received information of the departure of shipping from ports. In most dy followed his entry into this country. Thanks largly to your fforts, no act of destruction has been committed by enemy agents

in this country. . 'In this opinion of the Minister f Blockade, your work has contributed in a very large degree to the satisfactory working of the blockade. In practically every case f some neighbouring stations, of contraband before a prize court, the evidence has been furt nished by you, The estimated fall. Then the wind rose, and value of prize cargoes, excluding ships, is over £30,000,000. You The tempest lasted several days, have stopped enemy remittances to the value of £70,000,000, and iscovered that bridges had been completely destroyed the enemy's overseas communications so far as they were vulnerable."
