## QUICK RELIEF FROM THAT PERSISTENT, HACKING COUGH

We mean the kind of cough it gives one a cold shiver just to hear—the dry, deep-seated hack—hack—hack—that seems as if it were tearing the very vitals. That's the kind of cough that

means business.

Fortunately, though, that is also one of the kinds of cough for which Na-Druc Co Syrup of Linseed, Licorice and Chlorodyne was first prescribed, and which it has been relieving with great promptness and regularity ever since.

Na-Dru-Co Syrup of Linseed, Licorice and Chlorodyne is absolutely free from harmful drugs of any kind, and is sale even for children. It is pleasant to take, and acts quickly, relieving the irritation, loosening the phlegin, promoting expectoration, and so stopping the cough. Thousands declare it to be the best cough syrup they have ever fried.

### LORD LIEUTENANCY OF IRELAND FOR PRINCE.

The belief is gradually gain-ing ground in well informed circles in London that whenever a vacancy occurs in the Lord Lieutenancy of Ireland it will be filled by Prince Arthur of Connaught. It has been known among his friends for some time that Prince Arthur has aspirations in this direction, and it is said that the appointment will be by general agreement between the Government and the Opposition and the Irish party in the House of Commons, In some quarters it is held that Prince Arthur will not be sent to Dublin until the Home Bille bill has been passed and

The greatest kind of Christmas presentthe greatest Christmas present of its kind, the Edison Phonograph

a gift for ALL the family, a gift for ALL the year, and for ALL the years to come

Think of the money that is thrown away on trifles at Christmas time—the candy that is eaten, the toys that are broken, the Christmas cards that are merely glanced at and thrown away. What have you to show for last year's Christmas? Now think of the Edison Phonograph—the gift of a lifetime, that brings to every member of your family, all of the very kind of entertainment each prefers not merely for a day or a year, but for always. That's what makes the Edison the greatest kind of gift. The Edison brings you the four great advantages which you should look for in a sound-reproducing instrument, and which you which you should look for in a sound-reproducing instrument, and which you will find only in the Edison—exactly the right volume of sound for your home; the sapphire reproducing-point, which does not scratch or wear the records and lasts forever—no changing of needles; Amberol Records, which play twice as long as the ordinary records, rendering each composition completely, the ability to make and reproduce your own records, in your own home, just as true to life as the records made in our laboratory. That's what makes the Edison Phonograph

There are Edison dealers everywhere. Go to the nearest and hear the Edison Phonograph play both Edison Standard and Edison Amberol Records. Get complete catalogs from your dealer or from us. Edison Phonographs, \$16.50 to \$240.00.
