HAVE YOU READ IT?

No! Then you have missed one of the best Novels of the day.

Queen is a solitary, pedantic young man who drifts mysteriously into a Southern City, settles down in a boarding house and applies himself to the composition of a learned work on "Evolutionary Sociology," oblivious of all human interests and associations. By degrees, the life around him begins to touch him, first at one point, then at another, until in the course of time, he develops into a full fledged hero of an uncommonly admirable and attractive sort, editor of the important newspaper in the city, and at the last, the successful lover of one of the most sterling heroines in fiction. An intensely human story, original, stimulating, permeated by a delightful humor and a charming spirit. You get it in cloth, 50c; 2c. more if mailed.
