Smyth's Men's Wear

Personal expression in dress is an art the technique of which is understood by only a few shops in the world. This is one of them.
Connoisseurs in the art of dress appreciate the absolute dependability of our offerings.

The Men of Roumania

are very fond of dress, and they have a popular saying which runs, "the stomach has no mirror." Its meaning is that rather than be shabby a Roumanian should go hungry. The peasant costume of Roumania is very artistic, every village having its own set of colors. By the hue of his dress a peasant shows the locality he hails from. The Roumanian is most particular regarding his personal appearance, like thousands of people who patronize our Dry Cleaning establishment.

MR. CUSTOMER,—
Probably you've economised by doing without your usual suit and overcoat during Fall of 1914. Are you going to have that down-and-out look in Spring 1915? The Allies have millions of men on the firing line, each requiring thirteen pounds of wool every six or eight weeks. The British Government are keeping British Mills turning out army contracts.
Spring quotations for woollens are sky high. We have on hand a particularly fine range of Serges, Tweed Suits and Overcoatings. Order now as you will have to pay considerably higher in the Spring.

January month the general topic was the War, next to it was the handsome pieces of Silver got free at St. John's Grocery Store for Coupons.
We are doing the same this 1915 and are finding all our former customers buying more freely than ever, and are making new customers every day. And why not?—when we are giving to every customer 10c. on the dollar spent on groceries. And again, we use our best energies to please our patrons. In fact ours is the store of satisfaction. Every 10c. spent you get one cent; every dollar spent you get ten.
