## London Banker is Optimistic

Says Britain is Prepared to Deal Successfully With Recent Gigantic War Loan.

London, July 22.—Sir Felix Schuster, president to-day at a meeting of the Union of London and Smiths Bank, of which he is governor, took a cheerful view of the financial outlook. In his opinion the most serious problem was the question of the foreign exchanges, particularly American.

The adverse trade balance has assumed dimensions which could not be met in any ordinary way, but the country's commercial condition, he said, was sound and the country could look confidently to the future.

It was essential, Sir Felix added, that Great Britain continued to be a creditor nation. He pointed out that on June 13, thirteen out of sixteen clearing banks held deposits amounting to £176,000,000, and cash to the amount of £177,000,000, so that the nation was prepared to deal successfully with the recent gigantic war loan.

## Howled Down Speakers at Montreal.

Mob of Several Thousand Shouted "We Don't Want Conscription."

Montreal, July 23.—Between twelve and fifteen hundred disorderlies, among them a great number of boys, shouting "We won't have conscription," succeeded by organized "howling, hissing and stone and egg throwing, succeeded in breaking up a recruiting meeting at Lafontaine Park to-night, when more than five thousand persons were gathered to hear Major Emile Ranger, recently returned from the front, appeal for recruits for the Sixtieth Battalion, one of the newer units being organized under French-Canadian auspices. Major Ranger was not allowed to speak, and when he tried to secure a few minutes' hearing, he and several officers from local battalions, with an escort from the 65th Regiment and the band of the 60th Battalion, became a target for the stones and eggs. Finally all left the platform and the park, a path being forced through the side of the audience.

Lafontaine Park, which is in the heart of the French-Canadian section of the city, has been the scene of such disorders on three successive nights. Crowds of men and boys, plainly organized, have attempted to create a disturbance whenever the speakers on behalf of the units being organized attempted to address them. Socialists and Nationalists are said to have been in evidence and leading the uproar.

A meeting was to be held to-night under the auspices of the staff of the Sixtieth Battalion. Before eight o'clock many thousands of persons were gathered about the platform and it was apparent from the attitude of a large number of groups scattered through the audience, that trouble was coming. At eight-thirty o'clock, when Major Ranger and Captain C. Zeugg, and Lieut. Le Blanc of the 65th Battalion, who were to be the speakers, arrived, escorted by a company from that regiment and the band of the 60th Battalion, they were greeted with shouts and hisses. Major Ranger walked to the front of the platform and asked for a hearing, but the uproar was redoubled, voices shouting, "We don't want conscription." "We won't have conscription." The police charged the disturbance and ejected several, but with no result. After a half-hour wait the speakers left the park.

Afterward the mob began a march through the streets toward the newspaper offices, threatening to "smash them up," but police reserves arrived and dispersed them, before they had gone many blocks.

## What Are You Doing for that Eczema?

"Nothing; I've about given up trying to cure it." "That is not wise. Do as I did. You will probably be cured in a short time. I used Zylex and Zylex with it and my Eczema began to prove at once. A couple of days cured. You can get Zylex at druggists." Zylex, 50c. a box; Zylex Soap, a cake. Zylex, London.
