NUMBER 135.

CUTCH Bowring's Store.

To the Citizens — AND — Ratepayers of St. John's.

CITIZENS:—Having been requested by a large number of RATEPAYERS to place MYSELF in NOMINATION for MAYOR at the forthcoming MUNICIPAL ELECTION I have decided to do so, and respectfully solicit your VOTES and influence. I promise, if elected, to do my utmost in forwarding the best interests of the CITY.

WALTER A. O'D. KELLY.

NOTICE!

Complying with widely expressed public opinion as voiced by the Press and individual citizens, the undersigned members of the Municipal Board, deem it our duty to offer our services to the City for the next two years.

While making this announcement as a body, we wish it to be clearly understood that we are standing as individuals, and desire to express our readiness as individuals to work with any Mayor or with any other Councilors that the Citizens may see fit to elect.

In respect to the Charter which has been submitted to the Legislature, we beg to state that, while firmly of opinion that its adoption will enable the City to be more effectively governed than at present, we have always recognized that some of its provisions are debatable. We have supported that the Legislature and the Citizens would carefully consider such sections and would arrive at some decision in respect to them which would be generally satisfactory.

We can point with some satisfaction, if not with pride, to the improvements which have been made during our short term of office, and it is in the hope that we may be able to complete and perfect the work begun, and to institute further improvements, that we now signify our willingness to serve the City for another term of two years.

W. G. GOSLING for Mayor.
CHARLES P. AYRE for Councillor.
F. W. BRADSHAW " "
F. MACNAMARA " "
J. J. McGRATH " "
L. C. MORRIS " "
J. W. WITHERS " "

TO THE CITY RATEPAYERS!

GENTLEMEN:—You hardly need to be reminded that six years ago you honored me with a seat at the City Council. At the expiration of that term I was appointed by the Government as one of the members of the Commission holding office temporarily pending arrangements for holding a new election. Having had during all that time exceptional opportunities for gaining more knowledge in civic affairs, I now feel that my experience warrants me in asking you for a renewal of that confidence at the forthcoming election. I intend to again put myself in nomination, and should I once more have the honour of representing you, my very best efforts will be devoted to conserving the interests of the taxpayers of the City, and to co-operating to the best of my ability with the gentleman, whoever he may be, whom you may select to fill the Mayoralty Chair.

Respectfully yours,
J. J. MULLALLY.
