Waterman's Ideal Fountain Pen
Be Sure Your Gold Pen
BEARS THIS SIGN
The gold pen in the working end of a fountain pen. It is not just your own character that is stamped on it. It is the "Waterman's" mark. It is the mark of a fountain pen that is made of 14-18 gold, and in every detail of its construction, is made to last. Each gold pen passes through 90 distinct operations in manufacture, supervised and controlled by the pen maker.

It Pays to Paint
Paint protects the wood from the effects of sun, rain, wind and snow. It costs less to paint your house frequently than to make repairs. Paint saves the big loss of depreciation. All this, with the satisfaction of having your house bright and attractive. Any painter will tell you it pays to use the best paint. We sell it.
