**TORIC LENSES**

ARE MORE BECOMING THAN FLAT LENSES.

The edges of Toric Lenses do not show as prominently as those of flat lenses. They fit in close to your eyes. You will find Torics much more becoming and useful. They give you a wider, clearer field vision. You should know about Toric Lenses. Let us explain them.

**Public Meeting!**

Under the distinguished patronage of His Excellency the Governor and Miss Harris, a Public Meeting will be held in the Grenfell Hall to-morrow, Friday, evening, at 8.45, when Miss C. F. Jones, National Secretary of the Young Women's Christian Association of Canada, will speak of the work of the Association and of what it might do in this city. Lantern views in connection with the subject will be shown and the question of the establishment of a Young Women's Christian Association here will be discussed. The meeting is open to all men, women and girls who are interested in the welfare of the girls of this city.
