It is the wisdom of ancient days that the fatter you become the quicker you weary. One sits out more dances than formerly, the flesh grows weaker after 1.30 a.m., in exact ratio to the length-ening of the waist measure. Fat is robbing you of fun, just at a time when you have the leisure and the cash for

You may reduce that fatty overplus and so revive your flagging energies, if you will, in the simplest way. You can take off a pound of it a day, if you wish, without causing weakness, or wrinkles, or calling upon exercising or dieting for help. For years fashionable fat people have been using the famous Marmola Prescription, 1-2 oz. Marmola, 3-4 oz. Tl. Ex. Cascara Aromatic. 4 3-4 oz. Peppermint Water.
Now these same proportions have been combined, most elegantly, into a tablet, the Marmola Prescription Tablet.

# Reliability

When you buy clothes or groceries, meat or furniture, you can judge for yourself the quality of what you are getting.

When you buy Medicinal or Toilet Preparations you buy on faith. Tooth-paste may look good—have an agreeable flavor—whiten the teeth beautifully-yet eventually destroy them. A medicinal preparation may be pleasant to take or very much the opposite without giving you any clue as to whether it is a safe and effective remedy.

No one cares to risk experiments along these lines—everyone wants to

know for a certainty that the medicinal and toilet preparations he buys have been compounded by expert chemists and are backed by responsible men.

### The Law's Protection

The laws of every Province in Canada, expressing the will of the people, protect you so far as doctors' prescriptions are concerned by demanding that these must be dispensed by physicians or duly qualified druggists.

### NA-DRU-CO'S Protection

To protect you in the matter of household remedies and toilet articles we have brought out the NA-DRU-CO line of about 125

Medicinal and Toilet Preparations.
