NOT ONE CENT FOR TRIBUTE.

Safety of Canadians Assured

When Faine's Celery Compound is Used.

It has ever been the boast of Britons that they never shall be slaves. The Briton's heart warms to freedom; his blood is aroused when human beings become mere chattels bought and sold like animals. British subjects will suffer patiently even extreme taxations for the raising of millions for defense; but never, never will they pay tribute to any foreign master.

British subjects-men, women and hildren-are slaves too often! What do we mean? Just what we saythat we are too often miserable bondmen and bondwomen, when we might revel in freedom and strength. Thousands of us are slaves to some trouble or disease that makes this earthly pilgrimage burdensome and

oppressive.
Why suffer longer? We have near us a mighty and powerful deliverer and rescuer known as Paine's Celery Compound that quickly banishes our assailing and tormenting enemies that come too often in the form of rheumatism, neuralgia, dyspepsia, indigestion, constipation, heart disease, nervousness, sleeplessness and blood

Why encourage and pay tribute to such death dealing masters? Our bodies should be free, clean, pure, and fitted for the full enjoyment of true life. That world-renowned prescription, Paine's Celery Compound, gives perfect health, strength and life. It removes every trace of disease from the body, and purifies the blood. This is the season to banish every weight and oppression. Let the re-novating work be commenced now, so that summer and the hot weather may be met with strong and vigorous may be met with strong and vigorous bodies and clear heads. Paine's Celery Compound has in past spring seasons saved thousands of sufferers; it will do the same for you, weary

and even serious illness.
