SUCCUMBED

Pickling will commence in a few weeks' time. You probably have had trouble in the past with your pickles. The fault is with the Vinegar. It is essential to have it good if you want your pickles to be crisp. The vinegar we sell is the best that is made and more than that it does not cost any more than the cheap brands so often sold. For the table we have the finest imported bottled Vinegar, Chili, Tarragon and English Malt.
