KING STREET PRESBYTERIANS

HAVE THEIR ANNUAL MEETING

1904 Shown to Have Been a Year of Progress for East End Congregation.

The annual congregational meeting of the King Street Presbyterian Church was held in the lecture room of the church last evening. There was a good attendance and great interest was exhibited in the proceedings by one and all. Judging from the atmosphere which prevailed and the nature of the reports of the past year's work, which were submitted, the church is in a healthy condition of steady progress.

Rev. James Rollins, the pastor, was in the chair, and Mr. W. A. Hunter acted as secretary. Messrs. Connor, Brown, Grieve and Rollins spoke briefly upon the financial affairs of the church. It was decided to repeat this year the free-will offering of \$250 on the third Sabbath of March. The following officers were elected for 1905:

Auditor for congregation, Alex. Brown; managers, W. A. Hunter, J. Henderson, W. Ray, J. Sanders, for three-year term; Mr. McElhinney, two-year term; Mr. Barr, for one-year term.

Mr. George Campbell, having moved outside the bounds of the church, resigned from the position of manager and treasurer. Much regret was expressed on all sides for Mr. Campbell's departure, and a vote of thanks was tendered him for past services.

A hearty vote of thanks was tendered to Bro. J. J. Jones and Campbell, both of whom are retiring from the board; also to the pastor for his much-appreciated labors during the year, assuring him of continued loyalty and support.

When the business portion of the evening was over, refreshments were served and all enjoyed a few social moments.

The session's report, which was the first of the kind, was very optimistic in character. This report, which was an introduction to all the others, expressed the satisfaction of the past year's work, and the confidence in the success which had characterized all the departments of church work, and at the growing earnestness of the members.

The Lord's Supper, continued the report, had been observed four times during the year, and there had been a substantial increase of membership on each occasion. Praise was bestowed upon the board of managers and other organizations, especially upon the W. F. M. S. and Link Society, for their work in providing for the

rather than that of the defense, which contradicted the fact pointed out that the pollbook of Quinn's own division showed he had voted there at a time when several of his friends had sworn he was with them.

The court, in charging the jury, read the statute dealing with the crime of impersonation. That the crime had been committed at the last election was without doubt. The thing was to determine who was the perpetrator. The court then reviewed the evidence for the prosecution and the defense. If the testimony of prisoner's five friends, some of them doubtful characters, could be accepted, an alibi was established. His lordship made a strong statement of the seriousness of the crime of impersonation, and said that no political affiliations should be allowed to interfere with the course of justice.

"The question to ask yourselves," said his lordship, "is this: Am I convinced upon this evidence that the prisoner is guilty? If you are convinced, then there is no room for doubt, but if you are not convinced then a doubt exists and the prisoner ought to get the benefit of it."

When the verdict had been brought in, Mr. Mabee asked that the trial of Quinn on the charge of perjury be postponed until the spring. The court consented, and the prisoner's bail was fixed at \$1,000, half of it being personal and the rest outside bonds. Quinn was then released, after being a prisoner since Nov. 3.

DEATH OF ANOTHER VETERAN OFFICER

Mr. James Hobbins, an Ex-Member of the Police Force, Passes Away.

A veteran police constable and well-known resident of this city, Mr. James Hobbins, died yesterday at his residence, 192 Simcoe street, in his 73rd year. Although Mr. Hobbins had not been in good health for the past four years, his illness did not become serious until a few weeks ago. He was born in Monagh, Ireland, but emigrated to Canada when a young man. He was a resident of London for about half a century, and for thirty-three years was a valued member of the police force. Since his superannuation, which oc-

ROUSING MEETINGS FOR THE PREMIER

Liberals Are Conducting a Vigorous Campaign in West Middlesex.

Hon. G. W. Ross' campaign in West Middlesex is being prosecuted with great vigor.

Rousing meetings in his interest were held at Newbury on Monday, and at Appin yesterday, the speakers on both occasions being Mr. N. W. Rowell, of Toronto; Mr. F. P. Betts, of London, and Mr. J. C. Elliott, of Glencoe.

The general policy of the Government as well as their course with reference to the development of New Ontario and the promotion of the industries at the Soo, were fully discussed, and defended, and the hollowness and hypocrisy

of the Opposition pretense to a greater degree of purity than their opponents exposed.

Both meetings were very largely attended, and great enthusiasm was displayed.

An offer by the same speakers to attend a meeting held by Mr. Stewart, the Opposition candidate, at Wardsville, on Monday evening was declined.

The Liberals throughout the riding are working with great determination, and everything points to the return of Hon. G. W. Ross by a largely-increased majority.
