ONE DOSE WILL RELIEVE INDIGESTION, STOMACH GAS, DYSPEPSIA OR A SICK HEADACHE

Take a Little Diapepsin Now and Your Stomach Will Feel Fine in Five Minutes.

Every family here ought to keep some Diapepsin in the house, as any one of you may have an attack of Indigestion or Stomach trouble at any time, day or night.

This harmless preparation will digest anything you eat and overcome a distressed, out-of-order stomach five minutes afterwards.

If your meals don't tempt you, or what little you do eat seems to fill you, or lies like a lump of lead in your stomach, or if you have heartburn, that is a sign of Indigestion.

Ask your Pharmacist for a 50-cent case of Pape's Diapepsin, and take a little just as soon as you can. There will be no sour risings, no belching of undigested food mixed with acid, no stomach gas or heartburn, fullness or heavy feeling in the stomach, Nausea, Debilitating, Headaches, Dizziness or intestinal griping. This will all go, and, besides, there will be no sour food left over in the stomach to poison your breath with nauseous odors.

Pape's Diapepsin is a certain cure for out-of-order stomachs, because it prevents fermentation and takes hold of your food and digests it just the same as if your stomach wasn't there.

Relief in five minutes from all stomach misery at any drug store, waiting for you.

These large 50-cent cases contain more than sufficient to cure almost any chronic case of Dyspepsia, Indigestion, or any other Stomach trouble.

stituency. Mr. Balfour personally took part in the speaking in behalf of the Unionist candidate, while Home Secretary Churchill went down to help the Liberal candidate.

A Bare Majority.

Two seats, West Bromwich and Gloucester, are held by the Unionists, with a bare majority of five and four votes, respectively. In each case there will doubtless be a recount.

On the whole there is an extraordinary similarity in the majorities as compared with the election in January' although fewer persons voted. Many voters had moved to new districts since the register was made up and could not get to the polls. In addition, the weather was very cold and wet, which militated against a large vote. The weather, too, prevented the lively scenes usually witnessed on election night.

Cheering Mobs Fills Halls.

A few hardy enthusiasts gathered in Fleet street, but the downpour of rain drove them to the shelter of the music halls, where the returns weres hown on screens. Some of the halls were crowded to the doors with cheering masses, who refused to listen to even the most popular stars, shouting continuously for the result of this and that contest.

At a late hour the result in Exeter showed an unexpected Liberal gain, H. St. Maur being elected by a majority of four over the Unionist, H. E. Duke.

SETTLEMENT LIKELY IN CHICAGO STRIKE

Garment Workers' Walk-Out May End Very Shortly.

[Associated Press.]

Chicago, Dec. 3.—Terms for the settlement of the garment workers' strike were tendered today to the council settlement committee and Mayor Busse, by representatives of Hart, Schaffner & Marx, chief of the employers affected, and were tentatively accepted by representatives of the workers to the conference called by the mayor. The end of the strike now depends upon the acceptance of the terms by the strikers.

What the terms volunteered by the clothing firms were, or whether their acceptance would mean a total or partial victory for the strikers, or a total or partial loss, Mayor Busse, delegated by mutual consent to be spokesman for the conference, refused to say. All parties called attention to the fact that the agreement was from only one firm, and hence would not indicate necessarily the end of the strike.
