

## Tunnel Town News

CANADIAN NORTHERN  
MAY ENTER SARNIA

Rumor Is Causing Real Estate  
To Go Higher Than  
Ever.

SARNIA BRANCH OFFICE,  
209 Front Street,  
Office hours, a.m. to 5:30 a.m., 8:30  
p.m. to 5:30 p.m.

[Special to The Advertiser.]  
Sarnia, Oct. 25.—Now that it seems  
quite likely that the Canadian North-  
ern is heading for Sarnia, the busi-  
nessmen here are beginning to sit  
up and take notice. There has been  
much talk of the road coming here,  
but the matter has not been given  
any special attention, although there  
have been some who believed the  
line would eventually be brought to  
Sarnia. The addition of this road, to-  
gether with that of the C. P. R.,  
would mean a wonderful boom for  
Sarnia, and real estate will no doubt  
soar higher than ever.

MR. JAMES LOUGHEAD  
STRICKEN SUDDENLY

Was One of the Pioneer Oil  
Operators in Lambton  
District.

[Special to The Advertiser.]  
Sarnia, Oct. 24.—James C. Loug-  
head, aged 75, one of the oldest and  
best-known oilmen in the district, is  
dead at his home here, following a  
stroke of paralysis. He had been an  
invalid for some time.

Mr. Loughead was of Irish descent,  
his parents coming to this country in  
1827, and settling in Prescott, Ont.,  
where Mr. Loughead was born in  
1837. In 1869 he settled in Oil  
Springs, and was one of the first to  
engage in the oil-producing business.  
For more than forty years he oper-  
ated in oil in different sections of  
Lambton. In 1885 he went to Aus-  
tralia, and there put down artesian  
wells, being the pioneer discoverer of  
fresh water in that region.

Mr. Loughead was predeceased by  
his wife in 1901. He is survived by  
four daughters—Mrs. Wm. J. Mill-  
igan, Miss Jennie Loughead, Mrs.  
Robert W. Paul and Miss Nellie  
Loughead, and one son, Harry. Two  
sons, George and Fred, predeceased  
their father.

## TEST LAKE WATER

Provincial Expert Taking Samples for  
the International Commission.  
[Special to The Advertiser.]  
Sarnia, Oct. 25.—Mr. F. A. Dallyn,

the expert from the provincial board  
of health, who arrived in town two  
days ago, will take samples from the  
waters of Lake Huron, St. Clair River  
and Lake St. Clair, for the interna-  
tional waterways commission. Mr.  
Dallyn will start his work at the lake  
and gradually work down stream, tak-  
ing samples from both sides of the  
river. It is of interest to note that  
the commission has decided to in-  
quire into the condition of the water  
throughout this district, and the re-  
port will be awaited with interest by  
citizens here.

GET-RICH-QUICK MEN  
DRIVEN INTO CANADA

Chased Out By U. S. They  
Commence Operations This  
Side of the Border.

Washington, Oct. 24.—Get-rich-quick  
men, who have been driven out of New  
York, Chicago, and other American  
cities by the activities of the postoffice  
department, have transferred their  
operations to Canada, according to ad-  
vices received by the postoffice depart-  
ment officials. These advices came  
from the postal inspection service of  
the Dominion Government.

Many of the concerns put out of  
business in this country are operating  
in Canada from American cities  
through the mails, and Postmaster-  
General Hitchcock is endeavoring to  
find a means of prosecuting them. He  
has promised the Canadian Govern-  
ment that he will co-operate heartily  
in the effort to protect citizens of  
the Dominion from the operations of  
these fraudulent concerns.

Since get-rich-quick concerns in  
the United States were practically  
wiped out through the efforts of the  
postoffice department and the de-  
partment of justice, the agents of the  
postoffice inspection service have not  
relaxed their efforts to ascertain  
whether further attempts were being  
made to violate the postal laws. A  
few such efforts have been uncovered,  
but the get-rich-quick men were  
wary and have taken to cover at  
the first sign that the postoffice de-  
partment was looking into their af-  
fairs.

Postmaster-General Hitchcock said  
today that he would be glad to place  
at the disposal of the Canadian postal  
authorities all the information that  
had been gathered about persons and  
fraudulent operators in this coun-  
try who had been convicted in this coun-  
try of using the mails illegally to  
obtain money from credulous people.

## FOWL SUPPER

Thamesville Methodist Had a Most  
Enjoyable Time.

[Special to The Advertiser.]  
Thamesville, Oct. 24.—The fowl  
supper held in the Methodist Church  
was a great success. The rooms were  
filled to capacity, and the entertain-  
ment afterwards was thoroughly en-  
joyed. Addresses were given by Rev.  
Messrs. Muxworthy, McInnis and Mas-  
ters.

The local choir was assisted by Mr.  
Stewart Langford, of Kent Bridge.  
Miss Jean McDonald, of Ridgeway,  
gave a number of readings, which  
were enjoyed by all.

An auction sale will be held at Rev.  
Mr. McInnis' on Friday afternoon, when  
he will offer for sale all his household  
furniture before removing to the west.

Mr. C. A. Mayhew has sold out his  
bakery shop and confectionery to Mr.  
Edgar Moore.

Mr. N. K. Cornwall has sold out to  
J. B. Stringer & Co.

Mr. Peter Richards has secured the  
position of engineer at the G. T. R.  
pumphouse.

## RUSS ADMIRAL SUICIDES

Remorse Over Accident to the Crown  
Prince Said To Be the Cause.

St. Petersburg, Oct. 24.—Rear-Ad-  
miral Chagin, commander of the Em-  
peror of Russia's yacht Standart,  
committed suicide at his residence  
yesterday. The cause of his act is  
unknown.

It was reported at the time of the  
recent trouble among the sailors of  
the Russia Black Sea fleet that they  
had arranged a plot to seize the Stand-  
art while the Emperor and the im-  
perial family were being conveyed  
from Yalta to Sebastopol. A large  
number of bluejackets were then ar-  
rested.

Members of Admiral Chagin's

family declared later in the day that  
Admiral Chagin killed himself with  
a rifle. He spent the previous night in  
writing letters to relatives. He left a  
note on the table saying: "I ask that  
no one shall be accused of my death."  
He was a great favorite with the  
royal family. He led the Russian  
naval detachment at the relief of  
Pekin, and commanded the cruiser

Almaz at the battle of Tsushima.  
Current rumors attribute Rear-Ad-  
miral Chagin's suicide to remorse over  
the illness of Crown Prince Alexis,  
which is reported to have been the  
result of an accident while the prince  
was aboard the Standart. It is said  
that the crown prince injured him-  
self while imitating sailors diving, al-  
though it is positively affirmed that  
he slipped and fell in his bath.

Admiral Chagin killed himself with  
a rifle. He spent the previous night in  
writing letters to relatives. He left a  
note on the table saying: "I ask that  
no one shall be accused of my death."

He was a great favorite with the  
royal family. He led the Russian  
naval detachment at the relief of  
Pekin, and commanded the cruiser

"Montreal to Bristol"  
See the St. Lawrence  
You may know the St. Lawrence  
from history or picture  
books, but you'll never real-  
ly know it until you see it from the deck  
of an ocean liner. The R. M. S. Royal  
Edward and R. M. S. Royal George offer  
you the last word in comfort and travel-  
service to round out the pleasure of a trip  
across the world. Write for Descriptive Booklet.

DEER HUNTERS ARE  
GOING TO MUSKOKA

Ingersoll Nimrods Getting Ready  
For Big Hunt In the  
North.

[Special to The Advertiser.]  
Ingersoll, Oct. 25.—Local deer-  
hunters will soon leave for the hinter-  
land. During the past few weeks they  
have been busy preparing for the out-  
ing, getting their dogs conditioned,  
making inquiries about the best game  
districts, and getting together the  
many accessories of a hunter's expedi-  
tion. Most of the hunters of this  
neighborhood go into Muskoka or  
Parry Sound, and as a rule are very  
successful. There are a number of or-  
ganized hunt clubs throughout neigh-  
boring districts, and the indications  
are that they will all be well repre-  
sented when the dogs are turned loose to  
hunt up the deer.

Saturday evening the Ingersoll bat-  
talion of Boy Scouts will journey to  
Tillsonburg, where they will remain  
until Monday morning. A big time has  
been planned at the southern town, and  
the boys are looking forward to the  
outing with the keenest interest. Ar-  
rangements have been made whereby  
they will sleep in the uptown ticket  
office of the C. P. R., which will be  
well lighted and heated.

The funeral of Donald McMillen  
took place today from the residence of  
his brother, Mr. Benjamin McMillen,  
to the Church of the Sacred Heart,  
thence to the Roman Catholic cem-  
etery. The pall-bearers were deces-  
sors' five brothers—Messrs. Robert,  
John, William, Alexander and Ben-  
jamin—and a nephew, Fred McMillen.

A number of the veterans of '96 have  
received their grants from the Gov-  
ernment.

The annual "at home" of the auxil-  
iary of St. James' Church, held in the  
schoolroom, was largely attended and  
was an unqualified success in every  
respect.

**OXO CUBES**

All the stimulating extractives  
of beef that tone up the nervous  
system, and aid digestion and  
the rich nourishing protein  
which feeds the body and builds  
up strength and stamina, com-  
bined scientifically in the right  
proportions—that's Oxo Cubes

**One Oxo Cube to a cup**  
Simply dissolve an Oxo Cube in a cup-  
ful of hot water, and you have imme-  
diately a delicious, invigorating beef-  
beverage that will whip up your tired  
muscles and send a glow of health and  
vigour throughout your whole body.  
Handy for everybody—everywhere  
—outdoors or in.

COOK ON FLEETWOOD  
SWEEP OVERBOARD

Wireless Tells of Accident in  
a Storm on Lake  
Huron.

[Special to The Advertiser.]  
Sarnia, Oct. 24.—According to a  
report received here the second cook  
of the steamer Fleetwood was swept  
overboard by the high seas and  
drowned in Lake Huron, as the ves-  
sel was rounding Point of Parques.  
J. P. Kenny, captain of the steamer,  
telegraphed the news to Port Huron

today, but neglected to mention the  
cook's name. The Fleetwood is the  
same boat which sank the steamer  
Pine Lake in Lake St. Clair Monday.

## DIED AT BRANDON

Mrs. John E. Smith Was a Former  
Resident of Brussels.

[Special to The Advertiser.]  
Brussels, Oct. 24.—The news was re-  
ceived here today of the decease of  
Mrs. John E. Smith, of Brandon, a  
former resident of Brussels. Her hus-  
band and five children survive.

A large number of delegates went  
from here to Gorrie to attend the Ep-  
worth League convention.  
Next Sunday morning Rev. George  
McKinlay, of Lucknow, will preach  
in the Methodist Church, and in the

evening a Thanksgiving song service  
will be given.

Mrs. Irwin Jackson, of Arthur, was  
buried in Brussels Cemetery Thursday  
afternoon. She was formerly a resi-  
dent of this locality, and had rela-  
tives interred here.

## A NEW CLUE

[Special to The Advertiser.]  
Lakeside, Oct. 25.—Correspondence  
found among the effects of Agnes Mc-  
Kissock, whose death is now being in-  
vestigated, leads the authorities to be-  
lieve that a young man residing in  
Hamilton may be able to furnish some  
evidence that will help in clearing up  
the alleged suicide. It is likely that the  
young man will be called to attend  
the inquest next Tuesday. Miss Mc-  
Kissock's mother in Scotland has been  
notified of her death.

## Thanksgiving Day Clothes for Particular Men

## Fine Blue Suits, 3 Specials

Add two dollars and a half to the price of each of these Suits and  
you have what other stores get for these lines. You'll find in each line
