Reported by J. M. Young, Broker.]
Chicago, April 3.—What leaders opened with general advances today, but soon reacted, while the specialties, notably motor shares, again moved upward, though in more moderate degree. Rock Island showed increasing heaviness, opening with one lot of 1,600 shares at 28% to 28¼. a decline of ¾, and later declining to 26¼. This compares with its recent high price of 36¾. In the group of high-grade railway issues, Canadian Pacific showed a gain of a point. Trading was comparatively light, with a small attendance on the echange.
