361-4 Hour Feature Service.

The new daily 361-4 hour Toronto to Winnipeg special has just inaugurated by the Canadian Pacific Railway not only establishes a record in fast, convenient transportation but provides the traveller with a feature service to Port William from both Toronto and Winnipeg inasmuch as the Winnipeg special leaving Toronto at 9:45 p.m. every night and arriving in Sudbury at 5:30 a.m. arrives in Port William at 11:00 p.m., leaving there 15 minutes later and arriving in Winnipeg at 9:00 a.m. The traveller is thus given a night and full day in Port William.

Returning, the "Toronto-Montreal Special" leaves Winnipeg at 7:00 p.m., arriving in Port William at 6:40 a.m., leaving 15 minutes later, arriving in Sudbury at 1:00 a.m. and in Toronto at the convenient hour of 8:35 a.m. The traveller is again given a night and a day in Port William.

Direct connections are made by travellers from Winnipeg for all main points in Ontario, Quebec and East, which will receive the serious consideration of those who desire efficient service. Dominion Express shipments are delivered hours earlier which is also a feature.

The most modern equipment including standard and compartment observation cars, are carried which, with the reduction in the running time and the courteous efficient service by all employees, makes this new service pre-eminent as the last word in transportation.

New Lamp Burns 94% Air

Beats Electric or Gas.

A new oil lamp that gives an amazingly brilliant, soft, white light, even better than gas or electricity, has been tested by the U. S. Government and 35 leading universities and found to be superior to 10 ordinary oil lamps. It burns without odor, smoke or noise—no pumping up, is simple, clean, safe. Burns 94 per cent air and 6 per cent common kerosene (coal oil). The inventor, F. R. Johnson, 248 Craig street west, Montreal, is offering to send a lamp on 10 days' FREE trial, or even to give one FREE to the first user in each locality who will help him introduce it. Write him today for full particulars. Also ask him to explain how you can get the agency, and without experience or money make \$500 to \$800 a month—Advt.
