Shape-retaining,

When you step down, your foot sinks into the Resilia Centresole, away from the toe cap.

This makes the shoe a size larger inside, when your foot is widest, so the upper leather is never stretched out of shape over ball.

When you lift your foot, the insole expands from the outsole, thus taking up slack in the leather, preventing wrinkling and over running on sides.

The shoe thus retains shape and wears longer, because it is never over-stretched.

The London and Barracks cricket teams played a practice match Saturday afternoon on the Asylum grounds. As the score shows, some good scoring was done score shows, some good scoring was done by both sides. Clarkson (38) for Barracks was their chief contributor; Gilbert also making double figures (10. For London, Love (23), Williams (24), and Bucke (30), lent the most material support. Neither team has been able to practice to much advantage this season, but hope to be in shape for the tournament which begins on the Barracks and Asylum grounds on the 15th July, when Watford, Forest and Aylmer clubs will be here to play a series of games with the home teams. On Saturday next the Gordon MacKay team from Toronto will play the London C. C. on the Asylum grounds. The score:— LONDON.
