Varsity 9-Alerts 10.

London, Ont., June 27.—Varsity played another up-hill game to-day, and looked like a winner in the ninth. The Alerts scored six in the first on three bases on balls, two lucky singles and a two-bagger. Two for the Alerts and three for Varsity tied the score in the ninth. An error, a stolen base and a wild throw let a man across in the tenth. Then Hiscott replaced Sheere and Varsity retired one, two, three. The score:

To Try for Records at Hamilton.

HAMILTON, June 28.—The directors of the Trotting Association have decided to accept the offer of J. C. Hamlin, Buffalo, to give two exhibitions on the mile track on July 3. Hamlin's mare Fantasy, who last year made a three-year-old record of 2.083, will trot a mile accompanied by a running mate, and Robert J., the pacer who last year made a record of 2.05½, will pace a mile with a running mate.

and Riversides. The result: Gore Vales 3, Riversides 0. The spring season of 1894 has been one of the most eventful as well as the most successful in 'the history of the Gore Vales. Owing to the unaccountable action of the president of the league and of the executive the Vales have, during the past two weeks, been compelled to play in turn all of the teams in the series. The Parkdales were retired to the tune of 3 to 1; the Scots sullenly left the field, having been defeated by the same score; and now the Riversides have also received their Waterloo, leaving the Gore Vales undisputed champions of the city.
