eged to be "just as good." San Francisco, Sept. 13.—Correspondence of the United Press from Honolulu says: Owing to the cholera epidemic the catching and sale of fish on this part of the coast have been prohibited. This has greatly grieved the natives. The old fish market has been demolished for senitary reasons. the crowded tenements encroaching on the stream will be demolished. All the churches were ordered closed Sept. 1. The United States steamship Benningto moved from the harbor to the reads on the 31st, on account of the infection of the harbor water. Some cases of cholerine followed, but all hands are now well. The United States cruiser Olympia arrived on the 22nd and also anchored outside for fear of cholera.

Cannot Be Beat.—Mr. D. Steinbach, Zurich, writes: "I have used Dr. Thomas' Eclectric Oil in my family for a number of years, and I can safely say that it cannot be beat for thee use of croup, fresheuts and sprains. My fittle boy has had attacks of croup several times, and one dose of Dr. Thomas' Eclectric Oil was sufficient for a perfect cure. I take great pleasure in recommending it as a family medicine, and I would not be without a bottle in my house."

Truly Marvelous—Yet Very Simple.

How can a good wine, a really excellent wine, fit to make blood, to make a fine sentiment, to provoke eloquence, and to do the system good, be sold at \$3.50 and \$4.50 per dozen quarts, delivered to any part in Ontario? The Bordeaux Claret Co., who are doing this all over the country to the stupefaction of the high-priced dealers, answer this very simply. Instead of buying from middlemen they import direct from the vineyards in France and bottle in their fine cellars in Montreal, thus saving all intermediate profits. Thus they can sell Clarets, Burgundies, Sauternes at half the price asked for wines not a particle better. The poor man's wine, to make him glad at a nominal price. Address Bordeaux Claret Co., 30 Hospital-street, Montreal. Truly Marvelous-Yet Very Simple.

They Never Fail.—Mr. S. M. Boughner, Langton, writes: "For about two years I was troubled with Inward Piles, but by using Parmelee's Pills I was completely cured, and, although four years have elapsed since then, they have not returned." Parmelee's Pills are anti-billious and a specific for the cure of Liver and Kidney Complaints, Dyspepsia, Costiveness, Headache, Piles, etc., and will regulate the secretions and remove all billious matter.

To relieve the thousands who cannot get anything whatever to drink on Sundays, the St. Leon Mineral Water Co. announce that they will dispense their world-renowned St. Leon at their head office, 101 1-2 King-street west, on Sundays until the conduit is repaired.

INSURANCE AGAIN.

A Physician Alleged to Have Passed Applicants Without Examination. The managers of the Excelsior Life Insurance Co. are investigating another case of alleged irregularity in obtaining insurance. It has come to their knowledge where a physician has been in the habit of signing applications for insurance without examining the candidates. About eight or ten cases have come to their knowledge in which this was done by a certain physician, and an officer has been despatched to investigate the circumstances.
