ir land ; nor should we wish "

By the laws of our Customs there is a prohibition to the importation of American reprints of English works into the Colonies, which prevents us from receiving Foster's admirable fac-similies of Blackwood and "the importation of purely American works, which are admissable on payment of duties; but the difficulty lies in their coming by pass and being seized on their arrival until the difficulty lies in their coming by pass and being seized on their arrival until the difficulty lies in their comment on this in our next number as respects the law and you conserved the suppose that ample information will be to be supposed that ample information will be to suppose that ample information will be to be supposed that ample information in the supposed that ample information is supposed that ample information is a supposed that ample information is suppos years ago we took an erroneous course in ing the best route.

overhools every package. Inest sua gratia parsis. The goats are divided from the sheep, and the former are safely penned up in the Custom House store room to be exposed to dishers (in the spirit of "the trade," although an acknowledgment of their receipt was jecture—no reason is assigned in any of the Professional persons for committee of their receipt was jecture—no reason is assigned in any of the Professional persons for committee of their receipt was jecture—no reason is assigned in any of the Professional persons for committee of their receipt was jecture—no reason is assigned in any of the Professional persons for committee of their receipt was jecture—no reason is assigned in any of the Professional persons for committee of their receipt was jecture—no reason is assigned in any of the Professional persons for committee of their receipt was jecture—no reason is assigned in any of the Professional persons for committee of their receipt was jecture—no reason is assigned in any of the Professional persons for committee of their receipt was jecture—no reason is assigned in any of the Professional persons for committee of the professional persons for committee of the committee of the professional persons for committee of the professional persons for committee of the committee of the professional persons for committee of rienced eye of the officer enables 1 im to chuck the fated contents of the well-known envelope into the herd of the goats, without sorrowing in dust and ashes for their ingratitude the real proprietor knowing that the animal and folly.

A week of two ago, we, by mere accident, heard that some publications addressed to "the Standard" were seized, and were in The Custom House. We inquired for them on paying 30 per cent. duty, and the American postage.—In this way we procured, the "Gentlemans Magazine" with the exception of Nos I & 2 which were sold before we knew anything about the matter. The number for the present mouth we rescued yesterday; and went sent mouth we rescued yesterday; and mouth were sale by primary the cleared and Mrs. Milawys, and in St. John at the Horze.

At St John, on the 9th inst. by the Rev. Dr. Gray, Mr. Patrick Edment, late Editor of the Pick Author Sale House.

At Hampton, of Vector of Wr. Edward Cambers, fisch with the order of the Horze States of the Horze States of the Horze States of the Horze States and the Horze.

At St John, on the 9th inst. by the Rev. Dr. Gray, Mr. Patrick Edment, late Editor of the Primary sale by primary and the St. Andrews in the Active States are sal Mag, had been transferred from the Post Office to the Custom House, we paid the postage, got a receipt, repaired to the Custom House, made out three entries, paid the duties and carried off our well incased roll .-Now where's the use of all this circumambulation for an end that might be secured at once ? We state facts for the present and shall make comment next week. We must not however defer saying that the most obliging conduct has been shown and the most patient explanations of the law given by all the Gentlemen in the Offices to which we

Will Mr. Alexander, be so good as copy, this explanation into his "Messenger" or some other of his extensive prints, to relieve us from the imputation of bad feeling or ingratitude; and accept of it as a reason for our apparent neglect of his Magazine, on the last two numbers of which we have prepared that farm Lot of Land situate on the Southnotices for our next number. The portrait of Commodore Stewart is admirable; the biFrederich, about two and an half miles from the late Mr. S. Connecks, together, with the

of Commodore Stewart is admirable; the biography commands the admiration even of a stone House and other Buildings thereon, the said Lot containing 100 acres more or less, the same having been taken in Execution issued out of the Supreme Court of this Province to Journals of the House in all that pertains to this County immediately, and to the Province generally. We notice the presentation of a Petition homerously signed by the Inhab itants of St. Stephen and thence down to. this Town, for a new line of road from this place to St. Stephen. Mature consideration THE subscriber has received a large and general assortment in addition to his former place to St. Stephen. Mature consideration should be given to any project for the alteration of any project for the alteration of a road, and its superiority has lately been demonstrated by actual exploration at the expense of a number of spirited individuals. It is reported to be a level line, ranging over capital materials for the formation of a road, and is drawers; three bales of well assorted stops, one case of gents hats—gents. beat upon that it has long been under consideration, and its superiority has lately been demonstrated by actual exploration—at the expense of an unber of spirited individuals. It is reported to be a level line, ranging over depital mestin shoes; a large assortment of mits and socks, 60h of wovelen and worsted yar o; lad es coloured and white strains for the formation of a road, and is said to shorten the distance 6 mits in 22.

There are inany intelligent Members in the Legislaturo who are now well acquainted with the subject-of Hoads, and we just our Members will point out in the House, and St. Andrews, January 5th, 1888—10.

Brand Town Holes and carpetings, one case of gents hats—gents. beat upon to gloss, one described assorted alops, one does of gents hats—gents. beat upon to gloss, one described assorted are permitted individuals. It is reported to be a carpeting to the subject of the language hankerchies and scarls; thread and mussure to gloss of the subject of the language hankerchies and scarls; thread and mussure to good brown sugar; 3 crates of well assorted to the first of the flores and to be considered to in the Brain to the language of the subject of the subject of the above property having been taken by vitue of everal Executions assigned to the subject of the

that the scenes of anarchy and carrage should aver occur which would inevitably attend the dissolution of the proposed into work of the proposed int number of its 2nd volume. Before saying anything on the merits of the work, we desire to communicate a few facts to Mr. Alex-

years ago we took an erroneous course in olaming the Officers of H. M. Customs for their interference, instead of exposing the absurdity of the law, which will never superinduce one more copy of Maga to find its way hither, but prevents us from alopting much cheaper means of enjoying the intellectual treat effered to the mind by that famous print and its no less celebrated compeers.

An officer of the Customs a tends the arrival of every American mail at the Post Office, and as soon as the bags are empired he overhouse every package. Inest sua gratia pars is. The goats are divided from the sheep,

His Excellency Sir Francis Bond Head has resigned the Government of Upper Can- St. Andrews, 4th Jan. 1838 public sale at successive periods of three ada, and Colonel ARTRUR has been appointmonths. A number of the American publishers (in the spirit of "the trade," although our Queen in the North American Colonies, not of the Row") forwarded their papers, who have had full opportunity of witnessing the late firm of H. & E. Jarvis and la-pamphlets, and books to us, but very proper-the conduct of Sir Francis, will deeply regret terly carried on by the subscriber, come forly discontinued these favours, when not only his removal. What has induced his Excel- ward and arranges their different accounts
