A Patch of Moss. Mungo Park tells us that he once lost is way in a desert in Africa, and saw no scape before him from starvation and eath. Suddenly he caught sight of a patch of moss growing in the sand, strength and beauty startled him in this unexpected place as something almost

'I went on my way comforted,' he says. I knew that the Power which had made nd protected that bit of moss could, and would, care for me.'

A great English naturalist, when dying, expressed the same idea. 'I know nothing of heaven,' he said,
but I have learned the infinite wisdom
and love of the Power who gave its gills
to the fish, and I am not atraid to trust myself in His hands. Job, questioning the Almighty as to the

ceason of his suffering, was bidden to go back to nature for proofs of the eternal order and love underlying all things. No other answer was given to him. These men, living close to nature, with keen appreciation of her beauty and order, were The past is flown, the future still have we touched more nearly through her by the infinite justice and mercy of the Creator than they would have been by any human Till, young and fair, beside the Jasper See logic. To the majority of men the hearing of sermons and public worship is the shortest way to God. They are, however, too apt to forget that there is any other. They neglect to teach their children to inderstand the beauty in a spear of grass, the reason for the red color of the rose, the curve in the foot of the fly or any other which we call nature ; and they show them nothing of the Eternal Power behind this novement. There are many voices in the world, and none of them are without signification.' These voices, each in its own language, are intended to tell us of the justice and love of our Heavenly Father. If we close our ears to any of them, we by so much shut ourselves out from his help

Lonely apart we pined, each seeking truth is handed over to Dick, who said it was man in the car.'

Not long after Mr. Questin had discovered to what extent his first experience of money responsibilities.

Dick wrote at once to Anastasia, saying that they had a clew at last. had robbed him by means of forged checks, 'Now,' said Mr. Perkins, 'we'il get a the marriage of Osmund and Anastasia right cute sort of detective, and keep an was celebrated at the English embassy.

Six months later Osmund said to his

few minutes; then drain off the water, wipe the pan dry, butter it and put the meat in again. Beat the eggs, put them in with it and add a little salt and pepper. Stir constantly until well thickened, then turn out into a hot dish and serve immediately.

Whatever you can, 'she said earnestly. immediately stepped up, and shaking hands warmly, announced himself to be no other than Mr. Septimus S. Perkins. 'You are wanted.—Sherrieff.'

Twelve hours later she entered the Hotel distribution of another by a new combination of another by a new combination of another by a new combination of atoms. This combination has been secured by the action of certain Questin, but I guess you are not much like de France, and was met by Dick scarcely without barraying the secret.

Spinal Complaint, General Debility, and other diseases, are of the most beneficial nature, as numerous testimonials will testify.

The Springs are situated at the base of the North Mountain, amid an extensive grove of lofty pines, covering seven acres of ground. The surrounding scenery is beactiful, and charming walks and drives abound, while the Bay of Fundy is distant but a tew miles. Good trout fishing can be had at all hours.

Good trout fishing can be had at all hours.

Conveyance to Middleton Station at all hours.

Conveyance to Middleton Station at all hours.

Spinal Complaint, General Debility, and other diseases, are of the most beneficial and treat against that.

Harriett Hobbs, Muir Avenue, Brockton, Ont.

On the way surely he didn't die without wiring away. Oh, unspeakable mercy; should Detective Canton was the first outsider which I trust to you not to repeat, not to city, more like your friend than ever I saw himself upon her sconer.

end.' Washburn has the backing of prominent capitalists in Boston. He was twin bears. Droll? Mr. Questin didn't 'Got him safe, ma'm,' he whispered formerly in charge of the government. jerkily, 'but you musn't expect to find his secret service.

The door opened, a French doctor with about 9 a. m., a lady named Mrs. Harris,

the sage.

—All kinds of vegetables can be canned in ginss fruit jars, and stowed away in a cool place for winter use. Peas, corn, beans, tomatoes, etc., are very easily prepared and canned. Pumpkins, squash and apples may be cooked to a sauce, and and canned for ready use in winter.

Taking the hint, Sherrieff wrote to Anastata on the better for us, commented after that the more certain for the Gure of Catarrha Deafness and Hay Fever.
