The Jar of Coughing

Hammer blows, steadily applied, break the hardest rock. Coughing, day after day, jars and tears the throat and lungs until the healthy tissues give way. Ayer's Cherry Pectoral stops the coughing, and heals the torn membranes.

"I always keep Ayer's Cherry Pectoral in the house. It gives perfect relief, whatever any of us have coughed or had cold, and so give it to your children. It is a family remedy and so give it to your children. It is a family remedy and so give it to your children."—Mrs. MARY OSBORN, Vergennes, N. Y.

How Mothers CAN DRESS THEIR CHILDREN

Save Money

Wise mothers rarely buy new clothing for their little ones, yet the children are always well and stylishly dressed.

Suits for boys and dresses and wraps for the girls that have become faded and discolored, are quickly transformed into new garments by the help of the DIAMOND DYES.

The reliable and popular DIAMOND DYES cost but ten cents per package; they are easy to use—indeed a little child can use them and obtain grand results. For over twenty-five years the mothers of Canada have saved scores of dollars annually by the help of DIAMOND DYES.

The Wells & Richardson Co., Limited, Montreal, P. Q., will send free to any address, Diamond Dye Tracts and Samples of Colored Cloth showing shades of DIAMOND DYES.

Your Doctor

Can cure your Cough or Cold, no question about that, but—why go to all the trouble and inconvenience of looking him up, and then of having his prescription filled, when you can slip into any drug store in Canada and obtain a bottle of SHILOH'S CURE for a quarter.

Why pay two to five dollars when a twenty-five cent bottle of SHILOH will cure you as quickly?

Why not do as hundreds of thousands of Canadians have done for the past thirty-four years; let SHILOH be your doctor whenever a Cough or Cold appears.

SHILOH will cure you, and all druggists back up this statement with a positive guarantee.

The next time you have a Cough or Cold cure it with
