

Yes, Madam, your favorite sugar, as much as you want.

One of the most satisfactory material pleasures of Peace is that we may again have plenty of

UNDER war conditions we were unable to supply anywhere near the demand for Canada's favorite sugar. Few ships were available for bringing raw sugar from the tropics and a large part of the product of our refinery was needed for our soldiers overseas. Happily, Peace has changed the whole sugar situation. Unless unforeseen circumstances should arise the Lantic Red Ball will again brighten the shelves of stores throughout the country and housewives may have as much as they need of the famous Lantic "FINE" granulated, the perfect sugar for baking and the table; also there will be plenty of the Lantic delicious Old-fashioned Brown Sugars for the many dishes in which flavor is indispensable to success.

You may again buy Lantic Sugar in the larger original packages, the 10, 20 and 100-lb. sacks, as well as in the 2 and 5-lb. cartons. The accurate weight and perfect protection of the contents of Lantic packages make them the most economical way of buying sugar.

Ask your grocer for Lantic Sugar, the sugar with the Red Ball on every Carton or Bag.

ATLANTIC SUGAR REFINERIES, LIMITED  
MCGILL BUILDING, MONTREAL

PORT WADSWORTH

Capt. and Mrs. C. W. Collins have returned from Boston. Mrs. Collins is much improved in health  
Mrs. Annie Troop had the misfortune of falling down stairs. No bones broken but got quite a shaking up  
Mrs. Elmer Banks and little daughter spent a few days the guest of her sister, Mrs. Austin, Upper Granville  
Since the opening of churches and schools the first of the week, their have been four cases of Influenza reported  
On Monday, Jan. 29th, Mrs. Lois Caswell enjoyed her 99th birthday. Altho on the threshold of her century mark Mrs. Caswell is a woman of wonderful mental and physical powers. All day she received callers and needless to say a great many. Miss Georgie Gilliat sent the following original verses written by Mr. E. C. Bowers of Westport:  
Years ninety-nine, to us how vast  
To you dim memories of the past;  
When you glance back, methinks you say,  
Where are the years of yesterday?  
A century! how great the dream.  
From power of man to harnessed steam,  
The telegraph, the telephone,  
The electric roads,—not these alone  
The roadway bike, the limousine,  
The aeroplane and submarine  
Canned music and the joyous laugh  
From Gramophone and Phonograph  
Few boats with sails, no rower rows,  
The motor launch glides two and fro  
No waiting now for winds or tides  
But gains his goal as compass guides  
Swifter than eagles sweep through air  
O'er land, neath seas and everywhere,  
Our finite minds can hardly grasp  
The great advance in Century past.  
Yet man is baffled by the germs  
That shortens life to feed the worms.  
The Doctors try to cure our ills,  
The germ but fattens on his pills  
And ready at each cough or sneeze  
To herald forth some new disease.  
We trust before this Century's gone  
That science will his wings have  
shorn  
Then man who enters on life's stage  
Finding no germs, may die of age.  
Well, here's my wish good health life  
hearty  
To keep next year your Century  
party.

\$350,000,000 Worth of Food

must be shipped to Europe at once, says Herbert Hoover, Food Controller. The United States Congress has voted \$100,000,000.00 this week for food for Europe. Most of this will come from the United States and Canada.

The next year will see the greatest demand for farm products there has ever been. There are unlimited ships to take this food to Europe. Prices will be in keeping with the demand.

The farmer who has the crops to sell is the farmer who will get his share of this demand. The farmer who has his fertilizer will have good crops, but he must not take any chances on delay in preparing his ground, buying his seed and getting his fertilizer.

The planting season now seems a long way off, but when the time comes it is always altogether too short.

There is a general shortage of fertilizer and fertilizer materials, and the late buyer will surely be disappointed.

To insure getting your supply—

Write the nearest general agent of the

"Made at Windsor, N. S." Fertilizers.
