BEES, QUEENS, FOUNDATIONS, &c.,

Free to all. We would call special attention to Smokers Free to all. We would can special attention to Smokers as manufactured by us, we guarantee every one. The barrel is made of iron, the nozzel is tin and so arran ed that embers cannot be blown among the bees, the sliding door at the rear of the barrel together with the strip of sandpaper of the bellows, enables us to light the smoker almost instantly with a match. The bellows is so considerable that the strength get into it, the spring is on the almost instantly with a match. The bellows is so constructed that fire cannot get into it, the spring is on the outside and can very easily be replaced if broken without injuring the bellows. We also manufacture the "Clirk cold blast smoker" the same as made by A. I. Root, of Medina, Ohic Price of smoker with 3 inch barrel \$1.00, 2½ barrel 75 cents Clarks cold blast 50 cents, by mail each 30 cents extra. For wholesale rates send for Illustrated Catalogue to
