The Secret of Beauty is Pure, Rich Blood

Women, you cannot look well unless you feel well. It is not age, but disease, bad health, thin blood, and unstrung nerves that make women look old. If the blood is full of germs, which consume its vitality, making it thin, weak and watery, and filling it with deadly poisons, the face becomes pale, wrinkles appear, back and head ache fearfully and pain makes life miserable. There is no use trying to "doctor" any part of the system that is diseased unless we remove the cause of the disease. It is known beyond dispute that all disease

is caused by germs and the poisons they produce. These germs must be destroyed and the poisons counteracted to cure disease.

DR. ARNOLD'S TOXIN PILLS

are the only medicine that can kill the germs of disease and destroy their poisons or "Toxins," and they do this speedily and thoroughly.

W. F. LEVY, General Storekeeper, Williamsford, Ont.:

"I have been miserable for months past, was low-spirited and nervous. My nerves were extremely twitchy and I was simply miserable. My family physician advised me to use Dr. Arnold's Toxin Pills as the only remedy that would benefit me. I did so, and am now feeling well and strong. I have used only two boxes and am confident a few more will make a new man of me."

Miss Ida Hopkins, 184 Harbor Street, Toronto, says:

"I had a position in a city store, but my health gave way and I grew thinner and thinner, had persistent headache and dizzy spells and was nervous. The severe symptom was shortness of breath. My sister was made well by Dr. Arnold's Toxin Pills, and I decided to try them. I began using them just after the last Toronto Exhibition and in a few weeks was perfectly well. I continued using them for a time, and now feel like a new being. Truly they are a woman's best friend."

R. BACH'S, Proprietor Royal Hotel, Shelburne, Ont., writes:

"I have for years past suffered every spring from thin watery blood, boils, weakness, loss of energy, and general exhaustion. Nothing I ever used benefited me until I used Dr. Arnold's Toxin Pills, which have cured me completely and permanently."

DR. ARNOLD'S TOXIN PILLS, the only medicine on earth that cures disease by killing the germs that cause it, are sold by all Druggists at 75c. a box, small box 25c., or sent postpaid on receipt of price by the

ARNOLD CHEMICAL COMPANY, LIMITED, TORONTO, ONT.
