About eighteen months ago in conversation with you I mentioned that my son Arthur was a great sufferer from Rheumatism, being so bad that for months he had not been able to put on his boots or walk. At your suggestion! I purchased from you four bottles of your Rheumatine. Three bottles, however, I am happy to say, effected a permanent cure, as my son has never suffered from rheumatism since, although the past winter has been a most trying one. I may add that the medicine had the effect of improving his health in every way.
