## UNTARIO INDUSTRIAL LOAN AND INVESTMENT CO.

LIMITED.

The third annual general meeting of the Shareholders of this Company was held at its offices on Thursday, the 21st day of February, at one o'clock, p.m. The President, David Blain, Eq., occupied the chair, and Mr. J. Gormley, the Managing Director, acted as Secretary. There were present also a large number of Shareholders both from the country and city. The President read the following

### REPORT.

Bothe Churcholders of the Ontario Industrial Loan and Investment Company:

The Pirectors beg to submit for your information the following report of the business of the Company for the year ending 31s' \_\_cember, 1883, with the financial statements, duly audited. The subscribed capital at that date amounted to \$472,300.00, on which had been paid \$220,796.32, the balance of the authorized capital still unsubscribed (\$27,100) represents that portion of the allotment made at the close of last year, which, not having been taken up within the prescribed time, reverted to the company. The item of \$213,977.35 represents the amount actually invested in real estate, inclusive of \$20,000 already expended on the Arcade Building, the item of \$72,394.17 mentioned in the Balance Sheet represents loans made by the Company on real estate mortgages, showing an increase ever the amount so invested at 31st December, 1882. of \$20,353.53, the item of \$28,691.35 represents loans made on personal security additionally secured by collaterals. The real estate and other securities of the Company have been carefully inspected and examined by a special committee appointed for that purpose. Reference to the "Profit and Loss" account will show the net profits for the year (after deducting the expanses of management) to have been \$24,172.05, out of which two half yearly dividends, at the rete of eight per cent. per annum, have been declared, amounting to \$16,327.02. The Directors recommend the placing of \$7,000 to the "Reserve Fund," and the carrying forward of the balance to the credit of Profit and Loss Account The profits on sales of real estate as shown amount to \$13,309.60; this, while not quite realizing the anticipations of the Directors formed at the beginning of the year, may (taking into consideration the almost universal matrivity of the real estate market) be considered satisfactory. Although for a while unavoidably delayed, building operations on the "Arcade" are now progressing favourably. Numerous applications for accommodation have been received, and the prospects of the success of the enterprise are
