WATCHES!! JEWELRY!!

Romaine Gold, so extensively worn in Paris, was first discovered in 1870, by the celebrated French
chemist Mons. D. Be Laine, who manufactured it into jewelry, and for five years sold it to the leading
jewelers of Paris for Solid Gold. In 1875, when his secret became known, ten of the manufacturing
jewelers established a stock company, with a capital of \$ 0,000,000 for the purpose of manufacturing
Romaine Gold Jewelry and Watches. With this immense capital, and the aid of improved
machinery they are enabled to produce all the latest patterns of jewelry at less than one-tenth the cost of
Solid Gold, and of a quality and color which makes it impossible even for experts to detect it from the
genuine.

We have secured the exclusive agency of the United States and Canada, for
the sale of all goods manufactured from this metal, and in order to introduce them in the most speedy
manner, have put up assorted sample lots as given below, which we will sell at one-tenth the re-
tail value until January 1st, 1878. Read the list.

HEAD OFFICE:

164 St. JAMES ST., MONTREAL.

This Company is remarkable for the following
features of interest to assurers:—

1. It is a Canadian Company incorporated by a
special Act of the Dominion Legislature, and invests
the whole of its funds in Canada, thereby giving to
its Policy Holders the benefit of their own premiums.

2. It has made the required deposit with the Do-
minion Government, for the absolute security of its
Policy Holders.

3. Its investments are of the most select character,
and command a high rate of interest, making it profit-
able to its Policy Holders.

4. Being under an experienced management, by
which its funds are handled, recklessness, waste
and ruin incident to companies in the hands of novices,
are avoided.

With these and other inviting features made known
on application to the Head Office or to any of its agen-
cies, there will be no cause for surprise that during the
past twelve months of unparalleled depression in trade
the Company has done

MORE THAN A MILLION

of new Life business besides Accident.
