

## CHICAGO MARKET.

HEAVY SELLING AND STRONG  
MARKET IN PROVISIONS—GRAIN  
DULL AND WEAK.

Chicago, July 19.

So far as cereals are concerned, Chicago market, and indeed the market everywhere, is a waiting one. Business done does not reach to any great amount, and the large dealers are holding aloof waiting developments. Demand is not keeping up with supply, and unless cash demand improves, wheat will drag lower. At Chicago, curb wheat stands at 70½ to 71, and at Liverpool wheat is cabled ½ lower, and that both are dull, there being for them very little demand. The abundant visible supply of grain, which is having a bullish influence on other markets, is operating in an opposite way upon the price of grain itself. Primary receipts of wheat were this week 1,120,000 bushels, as against 884,000 last week, and 477,000 last year.

Car lots to-day received—Wheat 120, shipments 4000; corn 506, shipments 682, 663; oats 170, shipments 8,595. Opening sales in grain, all from ½ to ¾ lower than yesterday's close.

Provisions opened strong, then became a little easier to-day. The demand was great and heavy selling took place. As showing how prices here have risen, it is noticeable that hogs have advanced from 3.90 to 4.52½ in 10 days. Hogs left over from yesterday, 2,268, and estimated receipts, 25,000, as against 35,000 last year.
