WRAPPING PAPER.

We hear there is some misrepresentation regarding our goods by travellers of rival houses on the road.

We want to say that we guarantee our Wrappings equal in stock to any that go out from Winnipeg. That they are full weight and full count. When we sell you one hundred pounds of Wrapping Paper you get that one hundred pounds, and when we say one ream we mean 480 sheets. Our prices are lower and our stock equal to any, and better than most that goes out from Winnipeg. We trust we have made ourselves clear.

Write us for samples.
