ST. JAMES STREET, MONTREAL.

**H. HOGAN, ..... PROPRIETOR.**

**T**HIS First-class Hotel, the largest in Montreal, and which has long been regarded by the Travelling Public as the most popular and fashionable resort, is situated opposite the Post Office, and contiguous to the Banks, French Cathedral, or Church Ville Marie, the Champ de Mars, where the Troops are reviewed, and other Public Institutions. It has been under the charge of its present Proprietor for over fifteen years. A large part of the Hall was engaged by the Government for the Suite of His Royal Highness the Prince of Wales on his visit to this city. The Proprietor would take this opportunity of thanking his numerous friends for past favors, and to inform them that he has during the past winter built a large addition to the Hall, and hopes in future to be able to accommodate all who may favor his establishment.

Telegraphic communication from the Hotel.

**THE JUSTLY CELEBRATED**

**“PLANTAGENET” MINERAL WATER.**

— S —

This remedial agent has been, and must continue to be, the favourite with the people, in consequence of the quantity of IODINE, IRON, MAGNESIA, &c., it contains as compared with other Springs, and its superior Medicinal Combination so grand, and providentially supplied. It is unsurpassed as a Tonic, Alterative, Laxative and Diuretic; as a Beverage, it is at once cooling and healing; Ereated, it takes the place of Soda Water. To AMERICAN TRAVELLERS the “Plantagenet” Seltzer Water will supersede the Saratoga, and obviate the effects produced by change of climate. It is of much service to Ladies.

Water consumers should be particular to enquire for the “PLANTAGENET” WATER at Hotels and Apothecaries.
