

PIANOS

In purchasing a Piano, procure the best. There are many claiming to be, and are, good instruments, but there is but ONE to which the superlative title of

THE BEST PIANO

can or is applied by the unanimous voice of all the great artists and musicians of the day—and those, after all, are the most competent judges—to those celebrated makers who contend for the laurel crown. In France there is but one; in England there are three; in America, two.

IN THE WORLD

There is but one PIANO which the great artists and musical critics of EVERY NATION unite in pronouncing the best in POWER, ACTION, TONE and DURABILITY. The unanimity of this testimony is something surprising and without parallel in the history of this wonderful instrument: but so it is. Ask any of the great leaders of the musical world, "Which of the Pianos now ranked as first-class do you prefer?" and the answer

IS WEBER'S!

"Why?" "Because, from its marvellous power of expression, the artist can stir the very depths of the human soul, and portray love, pity, hope, joy, sorrow, anger or despair, at pleasure."

Read what these great artists say of it in the large descriptive Catalogues just published, which will be furnished on application at the

Warranted for FIVE Years.

Unparalleled Value in Watches.

Cheapest in the World.

Crystal Cases, showing interior full jewelled, richly engraved, heavily gold-plated rim. In fact we now cap the climax in unequalled value as manufacturers on all the bargains ever given to our customers during a successful business career of seventy-one years; in offering this splendid watch containing all the best modern and reliable works, we are justified in calling it the Cheapest in the World, and the best Watch ever sent from any factory for the money; it is of the best cylinder escapement movement, balance action, self-regulating stem-winder, jewelled in four holes, and will keep time with any hundred dollar watch ever made; its accuracy as a time-keeper has been tested with some of the most reliable time-pieces in the country, and found not to vary a second in twenty-four hours. We guarantee it for five years. From \$5 to \$20 would be the best retail price of such a watch—could the trade obtain it—but it is our specialty. We will cheerfully refund the money if unsatisfactory.

TO CLUBS—We will send three Watches for \$18 Cash.

The Beaconfield—We will send a Sterling Silver Watch, Hunting Case, Detached Lever, for \$9.00 Cash. This offer cannot be made by any other firm at that price, except at a positive loss, as they cost wholesale more than the price we demand. TO CLUBS—Three for \$21. Guaranteed for Five Years.

No necessity to send your money in advance. If you live near a Railway Station, send \$1.00 to pay Express charges, then you can examine your watch and pay the Express Agent. By sending money in advance, you save the dollar, as it costs one dollar extra to send and collect by express.

TO THE U.S.—We will send "The Victoria," duty free and all charges paid, from our New York Branch, on receipt of Six Dollars. WILLIAM WALKERTON & CO., 23 St. Nicholas St., or Box 1886, Montreal.
