offs offsteral at Poor the cure or it is a first state and the state of the state o Hepatitis or Liver Complaint, DYSPEPSIA AND SICK HEADACHE.

Symptoms of a Diseased Liver.

DAIN in the right side, under the edge of the ribs, increases on pressure; somening mes the pain is in the left side; the paient is rarely able to lie on the left side; sometimes the pain is felt under the shoul, der blade, and it frequently extends to the top of the shoulder, and is sometimes mistaken for a rheumatism in the arm. & The stomach is affected with loss of appetite and sickness; the bowels in general are costive, sometimes alternative with lax; the head is troubled with pain, accompanied with a dull, heavy sensation in the back part. There is generally a considerable loss of memory, accompanied with a pain. ful sensation of having left undone something which ought to have been done. A slight, dry cough is sometimes an attendant. The patient complains of weariness and debility; he is easily startled, his feet are cold or burning, and he complains of a prickly sensation of the skin; his spirits are low; and although he is satisfied that exercise would be beneficial to him, yet he can scarcely summon up fortitude enough totry it Infact, he distrusts every remedy. Several of the above symptoms attend the disease, but cases have occurred where few of them existed, yet examination of the body, after death, has shown the LIVER to have been extensively deranged.

AGUE AND FEVER.

DR. M'LANE'S LIVER PILLS; IN CASES OF AGUE AND FEVER, when taken with Quinîne, are productive of the most happy results. No better cathartic can be used. preparatory to, or after taking Quinine. We would advise all who are afflicted with his disease to give them a FAIR TRIAL.

Ayer's Sarsaparilla

Montreal, March, 1871.

Is widely known as one of the most effectual remedies ever discovered for cleansing the sys-tem and purifying the blood. It has stood the test of years, with a constantly growing rep-

markable cures. So mild as to be safe and beneficial to children, and yet so searching as to effectually purge out the great cor-ruptions of the blood, such as the scrofulous and syphilitic contamination. Impurities, or diseases that have lurked in the system for years, soon yield to this powerful anti-dote, and disappear. Hence its wonderful cures, many of which are publicly known, of Scrofula, and all scrofulous diseases, Ulcers, Eruptions, and eruptive disorders of the skin, Tumors, Blotches, Boils, Pimples, Pustules, Sores, St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, and internal Ulcerations of the Uterns, Stomach, and Liver. It also cures other comand Liver. It also cures other com-plaints, to which it would not seem especially adapted, such as Dropsy, Dyspep-sia, Fits, Neuralgia, Heart Disease, Female, Weakness, Debility, and Leucorrhea, when they are manifestations of the scrofulous poisons. It is an excellent restorer of health and

strength in the Spring. By renewing the appetite and vigor of the digestive organs, it dissipates the depression and listless languor of the season. Even where no disorder appears, people feel better, and live longer, for cleansing the blood .. The system moves on with renewed vigor and a new lease of CURRAN & COM. PREPARED BY
