CONTEMPLATE THE LIFE OF MARY! EDWARD DUNIGAN & BROTHER,

151 Fulton Street, New York ARE now Publishing, in Monthly Parts, at 25 cents each, and with the express approbation of the MOST REV. JOHN HUGHES, D.D.

THE LIFE OF THE B. VIRGIN MARY, OF HER MOST CHASTE SPOUSE, ST. JOSEPH AND HOLY PARENTS,

.... St. Joachin and St. Anne Illustrated by fine Steel Engravings, and printed on superfine paper, with Chapter Headings, Borders, and Initial Detters, designed and engraved expressly for

this work.

The Life of the Blessed Virgin is by the Rt. Rev. Rompaid Gentilucci; Chamberlain to Pope Pius IX., is dedicated to, and nonofed with the suffrages of His Holiness, and approved by the Master of the Sacred Palacovicia Silvania (Continue) Gentilucci's work will ever be remarkable for its

unction and beauty of style no less than for the deep knowledge which it displays of the writings of the Holy Fathers, and all the monuments of ecclesiastical history that can, in any way throw light on the Life of the Immaculate Mother of Our Lord, as handed down in the loving tradition of the faithful

from the age in which she lived.

The Life of Saint Joseph—no unfit companion for the elegant work of Gentilucci—is from the pen of Father Vallejo, a Mexican Jesuit of the last century, a work approved by the ecclesiastical authorities in the Roman States, and frequently reprinted. CONDITIONS:

The Life of the Blessed Virgin, Her Holy Spouse, and Parents, will be published in semi-monthly parts of 48 pages each, with a Steel Engraving and several Wood Cuts in each number, and will, when complete, form a volume of nearly 1000 pages. OBSERVATIONS OF THE PRESS :

The work having received the approbation of His Holiness, himself, as well as of the illustrious Archbishop Hughes, it only remains for us to say, that it appears to be gracefully translated into our language, and the style in which it is produced, is really superior, both as to its general appearance, as well as to the chasteness of the design, and execution of the illuminated borders which adorn every page of the

work.—London Register and Catholic Standard.

No other work of our day, on the same subject, can
be compared to it. It is unrivalled for beauty of style and depth of erudition. It is the offering of a learned and devoted son of the Blessed Virgin, who enjoys the confidence and friendship of our most Holy Fa-ther, Sto whom the work is dedicated. We are not more edified at the piety of the author, than astonished at the wonderful erndition displayed in the book. The translator has performed his task admirably.— Pittsburg Catholic:

We cannot too highly recommend it to the consideration of our readers, whether we regard the intrinsic value of the work itself, or the beauty and exquisite ensemble of its getting up.—Truth Icller. Profusely illustrated with Engravings and vignettes, this work is brought out in such an elegant style, as to make it, exclusive of its literary merit, a fitting library companion to the Bible of the same enterpris-

ing publishers.—Detroit Vindicator.

This work is one of devotion and merit. We do not know who translated it, but it seems better than average translations. - Freeman's Journal.

This work, translated from the Italian, and apparently well translated, is by an eminent author, is dedicated by permission to his Holiness Pius IX., and is spoken of in very high terms by competent judges. As far as we have seen it, we like it very much, and think it must prove a great favorite with the children of Mary and all devout Catholics .- Brownson's Rc-

INDUCEMENT: Each subscriber to this splendid work will receive with the last number a magnificent Steel Engraving,

suitable for framing, of the
MOST REV. JOHN HUGHES, D.D.,

ARCHBISHOP OF NEW YORK.
Canvassers will find it to their advantage to ad-

dress the publishers.

> Just Published, Price \$1 50, A GREAT HISTORICAL WORK:

THE CATHOLIC CHURCH

IN THE UNITED STATES; A Sketch of its Ecclesiastical History by Henry de

Courcy, author of "Les Servantes de Dieu en Ca-nada;" translated and enlarged by John Gilmary Shea, author of "The Discovery and Exploration of the Mississippi," &c., &c.

POSSESSING great industry and rare talent for historical narration, Mr. de Courcy has grouped together a most admirable sketch of Catholicity in Maryland Virginia, and the Middle States, from the settlement to the present time; embracing notices of the origin of religious houses and of emigrant Catholics. At the close is a full account of the Mission of the Nuncio, Archbishop Bedini, and an exposure of the slanders

decreed against him. A Work for every Catholic family; it has been encouraged by the suffrages of many Bishops.

REMARKS OF THE PRESS: It would be difficult for us to indicate with what pleasure we welcome this important addition to our Catholic literature.—Truth Teller.

Mr. de Courcy has gathered together in these pages many precious documents towards the future history of the Church in this country.—Freeman's Journal. The author's and editor's names are well known to

Catholic literature.—Buffalo Sentinel.

This work, next to the volumes of the Rt. Rev. Drs. Spalding and Bayley, is the most valuable contribution yet made to the history of the Catholic Church in the United States.—Pilisburgh Catholic.

This is a most valuable book, - Catholic Herald. This book is written in good temper, and, confining itself to facts, avoids personalities and overwarmth of expression.—New York Daily Times.

Mr. de Courcy has here rendered another important service to his co-religionists in the United States .-

Consumptives, do not despair till you have tried Aven's Chenar Provogal. It is made by one of the best medical chemists in the world, and its cures all round us bespeak the high merits of its virtues. — Philadolphia Ledger.

THE sciences of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man: Innumerable proofs are shown that these Phils have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their penetrating properties slimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and exped disease. They purge out the foul humora which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impact healthy tone with swength to the whole system. Not only do they cure the everyday complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects; they are, at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Ourse have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the relief of my afflicted, suffering follow-men. The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use, and certificates of their cures of the following complaints:

They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body or obstruction of the medical control of the policy of the property of the policy of the body or obstruction of its functions.
