AYER'S CHERRY PECTORAL, FOR THE RAPID CURE OF Colds, Coughs, and Hoarseness. BOSTON, Mass., 20th Dec., 1856. DR. J. C. AYER: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your CHERRY PECTORAL.

Will be ready on the 20th of March, (NEW AND REVISED EDITION,) THE LIFE OF ST. ELIZABETH OF HUNGARY, by the Count de Montalembert. The Life, translated by Mary Hackett, and the Introduction, by Mrs. Sadlier. 12 mo., of 427 pages, with a fine steel engraving. Cloth, 5s; cloth gilt, 7s 6d.

The merits of the work, we can safely say, that no biography ever issued from the American Press equals it as interesting as a romance. The Press have been unanimous in praise of the first edition. We give extracts from a few of them: "The book is one of the most interesting, instructive, and edifying that have been produced in our times, and every Catholic will read it with devout thankfulness to the Almighty God, that he has been pleased to raise up, in this faithless age, a layman who can write so edifying a work. It is marked by rare learning, fine artistic skill, and correct taste; and breathes the firmest faith and the most tender piety."

The whole introduction shows the hand of a master, and it loses nothing in Mrs. Sadlier's racy and elegant English. It enhances the merit of the work, which, in the Dublin edition, was published without this essential preface. Of the Life itself, we cannot speak too highly. The exquisite character of "the dear St. Elizabeth," (as the good Germans have at all times styled her), is brought out with a clearness, a tenderness, and a vigor, which bring tears from the heart. We do not think there is any book of the kind in English, at all to be compared to this "Life of Saint Elizabeth." - American Cell.

"We might say much in praise of the narrative and Life of St. Elizabeth, attending which, from the beginning to the end, is a charm which cannot fail to attract and secure the attention of the reader, did not the well known abilities of this distinguished author render it unnecessary. We cheerfully recommend the work to our readers." - Pittsburg Catholic.

KENNEDY'S SALT RHEUM OINTMENT, TO BE USED IN CONNECTION WITH THE MEDICAL DISCOVERY.

For Inflammation and Humor of the Eyes, this gives immediate relief; you will apply it on a linen rag when going to bed. For Scald Head, you will cut the hair off the affected part, apply the Ointment freely, and you will see the improvement in a few days. For Salt Rheum, rub it well in as often as convenient. For Sores on an inflamed surface, you will rub it in to your heart's content; it will give you such relief that you cannot help wishing well to the inventor. For Scabs: these commence by a thin, acid fluid oozing through the skin, soon hardening on the surface; in a short time are full of yellow matter; some are on an inflamed surface, some are not; will apply the Ointment freely, but you do not rub it in. For Sore Legs: this is a common disease, more so than is generally supposed; the skin turns purple, covered with scales, itches intolerably, sometimes forming running sores; by applying the Ointment, the itching and scales will disappear in a few days; but you must keep on with the Ointment until the skin gets its natural color. This Ointment agrees with every flesh, and gives immediate relief in every skin disease flesh is heir to. Price, 2s 6d per Box. Manufactured by DONALD KENNEDY, 120 Warren Street, Roxbury Mass. For Sale by every Druggist in the United States and British Provinces. Mr. Kennedy takes great pleasure in presenting the readers of the True Witness with the testimony of the Lady Superior of the St. Vincent Asylum, Boston:— St. VINCENT'S ASYLUM, Boston, May 26, 1856. Mr. Kennedy—Dear Sir—Permit me to return you my most sincere thanks for presenting to the Asylum your most valuable medicine. I have made use of it for scrofula, sore eyes, and for all the humors so prevalent among children; of that class so neglected before entering the Asylum; and I have the pleasure of informing you, it has been attended by the most happy effects. I certainly deem your discovery a great blessing to all persons afflicted by scrofula and other humors. ST. ANN ALEXIS SHORB, Superiress of St. Vincent's Asylum.

Consumption. Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach; but even to those the OXENBURY PECTORAL affords relief and comfort. ASTON HOUSE, NEW YORK CITY, March 4, 1856. DOCTOR AYER: I feel it a duty and a pleasure to inform you what your CHERRY PECTORAL has done for my wife. She had been five months laboring under the dangerous symptoms of Consumption, from which no aid we could procure gave her much relief. She was steadily failing, until Dr. Strong, of New York, who we have consulted, has prescribed a trial of your medicine. We bless his kindness, as we do your skill, for she has recovered from that day. She is not yet as strong as she used to be, but is free from her cough, and calls herself well. Yours, with gratitude for your medicine, ORLANDO SHELLEY, of SHELBYVILLE.

Ayer's Cathartic Pills.

THE sciences of Chemistry and Medicine have been taxed to their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these Pills have virtues which surpass in excellence the ordinary medicines, and that they are pleasant to take, and free from all those disagreeable effects which attend the use of other cathartics. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the humors which breed and grow distempers, such as Simples, Stings, and various eruptions into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every day complaints of every body, but also formidable and dangerous diseases that have defied the best of human skill. While they produce powerful effects, they are, at the same time, in diminished dose, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of habit, or injury to the system. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my remedies, while others have sent me the assurance of their conviction that my Preparations contribute immensely to the relief of my afflicted, suffering fellow-men. The Agents below named are pleased to furnish gratis my American Almanac, containing directions for their use, and certificates of their cures of the following complaints:— Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from a full Stomach, Nausea, Indigestion, Morbid Junction of the Bowels, and Pain arising therefrom, Flatulency, Loss of Appetite, all Ulcers and Obstructions of the bowels which require an evacuant Medicine, Scrofula or King's Evil. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions. Do not put off by unprincipled dealers with some other pill they make more profit on. Ask for AYER'S PILLS, and take nothing else. No other they can give you compares with this in its intrinsic value or curative powers. The sick want the best and there is for them, and they should have it.

Prepared by Dr. J. C. AYER, Practical and Analytical Chemist, Lowell, Mass. Price, 25 Cts. per Box. Five Boxes for \$1. SOLD BY All the Druggists in Montreal and everywhere.
