25 Cents each,

THE CATHOLIC PULPIT,

CONTAINING A

Sermon for every Sunday and Holiday in the year,
and for Good Friday.

FROM THE LAST REVISED LONDON EDITION.

THE great difficulty heretofore experienced in sup-
plying orders for this work, and the high price of
the English edition, especially when the heavy expense
attending the importation of foreign books, is added,
placed it beyond the reach of most persons. With the
view of obviating this difficulty, and with the hope of
affording Missionary Priests, Catholic families, and
others, an opportunity of perusing the BEST COLLECTION
OF SERMONS in the ENGLISH LANGUAGE, the undersigned
propose to issue the work at about one-half the cost of
the English Edition, and in such a form as will at once
place it within the reach of all classes throughout the
country.

THE CATHOLIC PULPIT has received the appro-
bation of the highest ecclesiastical authority in England,
and has gained an extensive popular circulation within
a very short period. It is a collection of Sermons for
the Sundays and principal Feasts throughout the year,
from the pens of living Orators of the highest distinction
in Europe, and on account of their recent production,
they are so much the better suited, in matter and style,
to the wants of Catholic readers. Heretofore the Ser-
mons which have been placed in our hands, though
good in themselves, were wanting in adaptation to our
circumstances. Our faith is unchangeable, but its
enemies and the world are constantly varying their
tactics; and hence it is necessary to meet each new
position that may be taken against us, and lay bare
each new wile that may be contrived for our destruction.
Amongst the authors of these sermons are to be found
some of the masters of the age, who, fully aware of its
pernicious tendencies, and sensibly alive to the perils
of the faithful, have, with piety, learning, and elo-
quence, produced a book, which is eminently calculated
to instruct and benefit the people.

The following summary of the Contents, will
enable those unacquainted with the general character
of the work, to form some idea of the range, extent,
and variety of subjects embraced in its pages:—
